ACKNOWLEDGEMENT

I am greatly indebted to my guide, Dr. A. R. Rajavel, Scientist ‘C’, Vector Control Research Centre, Pondicherry, for his painstaking guidance during the study and critical review of the manuscript. I shall always cherish the memories of his unique way of supporting me at the time of field collections, laboratory work and thesis writing.

I wish to express my deep gratitude to Dr. P. Jambulingam, Director, Vector Control Research Centre, Pondicherry, as the successful completion of the work was possible only because of his constant encouragement and valuable suggestions.

I am greatly indebted to my doctoral committee members, Prof. Dr. B. Kumaran, Department of Zoology, Kanchi Mamunivar Centre for Post Graduate Studies, Pondicherry and Dr. S. Sabesan, Scientist ‘F’, Head of Vector ecology and surveillance & Chief of HRD, VCRC, Pondicherry for their valuable suggestions and advice on my research work.

I wish to thank Dr. K. Gunasekaran, Scientist ‘E’, Dr. K. Krishnamoorthy, Scientist ‘F’, and Dr. K. P. Paily, Scientist ‘D’, VCRC, for their suggestions during the course of the study.

I am thankful to Dr. S. S. Sahu, Scientist ‘C’, Officer-in-Charge and the staff of VCRC Field station, Koraput, Orissa for their help during the field survey in Orissa.

I owe my sincere thanks to Dr. N. Pradeep Kumar, Scientist ‘D’ and staff of VCRC unit Kottayam, Kerala for their co-operation during my field work.

I am also grateful to individuals and their Institutions, Dr. Anil Prakash, Scientist ‘E’, Dr. Bhattacharyya, Scientist ‘D’, Regional Medical Research Centre, Dibrugarh for allowing me to examine the specimens in their collections and for their assistance during my field collections in Assam, and Dr. I. Baruah, Scientist, Defence Research Laboratory, Tezpur for their help during the field survey in Assam and Mr. Tewari, Centre for Research in Medical Entomology, Madurai for providing me the specimens in their collections and his assistance in examining the specimens.

I acknowledge the assistance rendered by Mr. K. Vaidyanathan, Mr. R. Jagannath, Mr. S. Paramasivam, Mr. N. Krishnamorthy and Mr. A. Rathina Kumar JRF of VCRC for their help in field work.

I am thankful to Mr. P. Sakthivel, Technical Officer, for helping in the preparation of the illustrations and Mr. K. Hari Kishan Raju, Research Assistant, for his help in organizing the figures in the computer.

My sincere thanks are to Mrs. R. Sundarammal, for providing me the necessary library support and Mrs. B. Parassacty and Mr. M. Kumanan for their help in the correspondence.

R. Natarajan
