By ourselves, we cannot do anything at all. As it pleases the Lord, He preserves us.

-GURU GRANTH SAHIB JI

The researcher expresses deepest gratitude to Waheguru (Almighty) with whose blessings and grace, this study and research work became possible.

The author wishes to take the opportunity to express his sincere appreciation to Dr. N.K Ralhan, Professor and Dean Post Graduate Studies, Akal School of Chemistry, Eternal University, Baru Sahib for being my guide under whose constant supervision, able guidance, concrete suggestions, constructive criticism and sustained encouragement this work was planned and successfully completed. I would also like to express my gratitude towards Mrs. Ralhan for her support and care during the learning phase.

The work would not have been complete without the invaluable educational, psychological and spiritual guidance of Dr. M.P Singh who will remain a motivational torch for entire life. The author is highly indebted to Shaolin family for their support in difficult times. The time and moment spent with them was one of the best times in life and the author always feels cherished to remember.

No words can suffice my feelings of gratitude towards my father S. Kuldeep Singh and mother Sdn. Charanjit Kaur for their unconditional love and motivation which remained the driving force during the entire period of my journey. I am indebted to their unwavering moral, emotional and financial support. I can never forget to thank my brother S. Gurneet Singh for his support, love, care and affection. Besides this, I am thankful from the core of my heart to S. Naseeb Singh (Dada ji), Mrs. Jai Kaur (Dadi ji), S. Sohan singh (Nana ji) and Mrs. Prem Kaur (Nani ji) for their unconditional support and love since childhood. You people kept me going irrespective of all the turbulent times.

This work would be incomplete without a note of thanks to Hon’ble Baba Iqbal Singh Ji (Chancellor), whose selfless vision and actions, I respect and revere from my heart.
I express my thanks to Hon’ble Dr. H.S Dhaliwal, Vice Chancellor, Eternal University, Baru Sahib for providing me the adequate laboratory facilities, valuable suggestions and help from time to time.

I express my gratitude to Hon’ble Dr. Manmohan Singh Atwal, Professor and founder Vice Chancellor of Eternal University, Baru Sahib for providing me the opportunity to teach and research. I pray for his well-being and longer life.

I would like to appreciate and extremely grateful for the suggestions and support of my field work fellows and colleagues Dr. Karan Singh (Associate Prof.), Dr. Jaiveer Singh (Ex-faculty), Dr. Vishal Arora (Ex-faculty), Sukhdeep Singh (Ex-faculty and known as Sukha). I express my gratitude to Mrs. Renu, Mr. Rakesh, Mr. Sumit and Mr. Jitender for their help in Chemistry lab.

I am also greatful to DRDO, Kanpur for providing me the JRF scholarship from March 2013 to May 2015. I am thankful to SAIF-Panjab University, Chandigarh; USIC-Himachal Pradesh University, Shimla and Tinchem Enterprises (www.tinchementerprises.in) for their liberal support.

A special word of gratitude to all the moments and memories I had shared with my friends Bhupinder Singh Maan, Amandeep Singh Maan, Sukhbir Singh, Manmeet Singh Sidhu, Satwant Singh, Simar Kaur, Harpreet Singh, Jasmeet Singh, Arminder Singh, Gurmeet Singh, Rajendra Singh, Manddeep Kaur Sandhu, Harjap Singh and Gagandeep Kaur. My completion of this degree could not have been accomplished without their support.

Special thanks of love to my cousins and school friends Gurinder, Sarab, Puneet and Mani for being part of life and giving special moments.

Deep in my heart, I appreciate the help of my friends, foes and some names which I might miss, whose support and criticism help me improve and build my bones stronger. All may not be mentioned, but none is forgotten. The memories of this adventurous journey will always stay alive and be a source of inspiration for me and my family.

Manpreet Singh
