ACKNOWLEDGEMENT

This research would not have been possible without the guidance and the help of several individuals who have in one way or others extended their valuable assistance in the preparation and completion of this study. First and foremost, my utmost gratitude to Dr. B.C. Vaidya, Professor and Head, Department of Geography, University of Pune for his unstinted moral support, valuable guidance, his kindness, help, sincerity, devotion and encouragement. He has been my inspiration in the completion this research work. I am grateful to Dr. Bhagyashri M. Yorgop, Head of Geography Department, Tilak Maharashtra University Pune for her valuable support and useful suggestions during my research work. I owe my deepest gratitude to Mrs. Chhaya Balkrishna Vaidya for encouragement during my research work.

Prof. Anil M Vankalas, Ex-Principal of Modern College, Ganeshkhind, Pune and Dr. Sanjay Kharat, Principal Modern College, Pune who has permitted to pursue research. I express my sincere thanks to Vice-Principal Prof. Jyoti Gagangras for her unfailing support during my research work. I would like to thanks for administrative staff, Department of Geography, Pune University and Tilak Maharashtra Vidyapeeth, Pune for providing necessary facilities for research.

I would like to show my gratitude to Mr. Kurhale and all staff of Agriculture Department, Pune Division Pune for making available valuable statistical data for my research. My sincere thank to Revenue staff and staff of Agriculture Department of Pune District, Pune for being very helpful for providing required possible data and information. I am grateful to the staff of Soil and Water Laboratory for getting soil maps of sample villages. I am also grateful to Talathi, Gramsevak, Agricultural Officers and villagers of sample villages for extending their support and cooperation during field visit. I am especially obliged to Librarian, Jaykar Library, Pune University, Tilak Maharashtra Vidyapeeth Library, Dhananjayrao Gadgil Library and Modern College Library for easy access of references. This thesis would not have been possible without the valuable support of students and colleagues for their help in fieldwork in sample villages. I owe my deepest gratitude to Dr. Deepak Shendkar and Mr. Behzad for statistical assistance.
My acknowledgement would not be completed if I do not mention my gratitude towards my well wishers Mr. Shivaji Pacharane, Dr. Ravindra Shinde, Dr. Vinod Veer, Motilal More, Nitin Jadhav, Ramesh Nanaware, Avinash Kamble and Mr. Vijay Sonawane who always encouraged and supported me during my research. I am very much thankful to Santosh Bhailume for preparing cartography work. I thanks to Mrs. Tanuja Bhanudas Bhore for typing and editing text of thesis neat and clean. I would like to thanks to Vijay Nivangune for continuous assistance in present research work. It is impossible to name all the individuals and institutions that helped me a lot thanks them undoubtedly. Lastly, I offer my regards and deep gratitude to all who supported during the completion of this research.
