Acknowledgements

When we start something with strong determination, the whole seems to help us to complete that work. I am lucky who got help from this imaging humanity.

I always wanted to work with prominent economist Professor Sucha Singh Gill and this dream came true when he responded positively to guide me in Ph.D research work. I express my deep sense of gratitude to Professor Sucha Singh Gill, Director General, Centre for Research in Rural and Industrial Development (CRRID), Chandigarh, who has all along been an invaluable source of motivation and help to me in completing research work.

A great role is played by co-supervisor Dr. Jaswinder Singh Brar, Professor, Centre for Research in Economic Change (CREC), Punjabi University, Patiala, to accomplish this project. He put me in such complex and difficult experiences, that I could come up to achieve high standards of research experience. His inspiration and suggestions enabled me to do my work in an energetic way. I feel grateful to him for his assistance.

I am deeply obliged to Dr. Inderjit Singh, Head of the Department of Economics, Punjabi University, Patiala, for his support. My sincere thanks to all the faculty members of the Department of Economics, especially Professor Sukhwinder Singh, Professor Kesar Singh, Professor Lakhwinder Singh and to Dr. Parmod Aggrawal for their indispensable support.

For the successful completion of the field work, my sincere thanks to all the staff members of sampled educational institutions of Punjab for providing me the needed primary data for research purpose. My affection also goes to all the sampled students for providing me the necessary data. A great contribution is made by bank managers/bank officers, in providing necessary information. I pay my gratitude to all of them.

Sincere thanks to the library staff of Punjabi University, Patiala; Punjab University, Chandigarh; Centre for Research in Rural and Industrial Development (CRRID), Chandigarh; National University of Education Planning and Administration (NCUEPA), New Delhi.
(NUEPA), Delhi and Jawaharlal Nehru University, Delhi for their extensive cooperation.

Special thanks to my uncle Mr. Ranjit Singh, who has motivated me at every step of this project. I owe my gratitude to my teachers Dr. Anupama, Mrs. Vandana and Dr. Indra Prabhakar. Moral support and relaxing environment is always provided by near and dear ones. I would like to place loving thanks to Paragt Singh, Mr. Kuldip Bassi, Dr. Ajay, Sumanpreet, Harbans Sharma, Shally, Kulwinder Singh, Angrej Singh, Neeraj, Kudip Sir, Ramandeep Joshi, Anoop Uncle and Meena Didi. I find words inadequate to express thanks to all my colleagues and to my dear students, who are always given me strength to accomplish the project.

My acknowledgement would not be completed without a mention of my father, Sh. Lal Chand, who is a guiding light to me by his honesty. My mother has been no more in this world but she always wanted that I became a person of great height. I think this project is completed with her blessings.

Last but not the least I would like to thank the Almighty who gave me strength to complete this research work successfully with patience and confidence.

Sunita Rani
