ACKNOWLEDGEMENTS

Let me offer my heartfelt thanks to Lord Almighty for all His blessings and especially for providentially sustaining me through the entire course of the work.

I deem it a matter of great pleasure to express my profound indebtedness to Dr. Mammen Daniel, Professor, Department of Botany, The M.S. University of Baroda, Vadodara for introducing me to this subject and for his invaluable guidance, constant help and encouragement during the course of the investigations.

I express my gratitude to Prof. G.P. Senan, Head, Department of Botany, for providing all the facilities in the Department and Botanical Garden to carry out the research in the best possible way. Thanks are also due to Prof. Bonny Pilo, former Dean, Faculty of Science, The M.S. University of Baroda, Vadodara.

The financial assistance rendered by University Grants Commission, New Delhi in the form of project fellowship and the M.S. University of Baroda, Vadodara as University Research Fellowship is gratefully acknowledged.

I place on record my sincere thanks to Prof. (Dr.) Joseph P. Varghese, Department of Botany, C.M.S. College, Kottayam, Kerala, for inculcating in me an analytical mind needed for research. Thanks are also due to Dr. (Mrs.) Alaka Pande, In-charge, Mycology and Plant Pathology Group, Agharkar Research Institute, Pune for confirming the identification of the fungi isolated during my research work and Mr. P.M. Sutaria, Senior Agro Services Officer, Soil and Water Testing Laboratory, GSFC, Vadodara for his valuable assistance in the analysis of soil samples.

I thankfully acknowledge the help rendered by Dr. Arun Arya, Reader, Department of Botany and Dr. (Mrs.) Sandhya Garde, Sr. Lecturer, Department of Botany for their valuable suggestions and help extended to me during the period of this research.

I am thankful to my colleagues Sr. Mariamma Joseph and Dr. (Mrs.) Darshika Shah for their full co-operation and moral support during the tenure of this work.

I am grateful to all non-teaching staff in the Department without whose help the project would not have been successful.

I am indebted to my family members and friends for their continued support and encouragement throughout the study.
