ACKNOWLEDGEMENT

.........to the omnipotent, omniscient, invisible helper wandering behind me

I avail this great opportunity to evince my profound sense of gratitude and regards to my guide Dr. Mini Sheth, Department of Foods and Nutrition for her inspiring guidance, compassionate co-operation, constructive criticism and soothing affection rendered to me during the course of the study and preparation of this manuscript. With her keen interest and profound knowledge of the subject, she has encouraged and motivated me to perform to the best of my abilities. I am indeed indebted to her for the successful completion of this thesis.

I extend my thanks to Prof. Pallavi Mehta, Head, Dept. of Foods and Nutrition for providing the necessary facilities to carry out the research work.

Thanks are due to Amul dairy, Anand and Gujarat Co-operative Milk Marketing Federation for partly supporting the study by regular supply of probiotic curd. I sincerely express my gratitude to the members of Jalaram Virudhashram, Nizampura and Jalaram ashram, Wagodia for permitting to enroll the subjects for my study and I heartily thank all my subjects for their willing co-operation, failing which the study would not have been possible.

Sincere thanks to Mr. V.R. Narendra (Head, Foods division, Food and Drug Laboratory) for permitting to carry out the analysis in their laboratory. I would like to thank Vipul Shah, Hiteshbhai, Kanubhai and Mangalbhai for extending their support during the course of study and thesis typing. I would like to extent thanks to all the panelist members for their cooperation to evaluate the inulin substituted recipes.

I also appreciate the help extended as and when required, by Aakanksha Mahendra during the final phases of thesis writing.
I extend my warmest and heartfelt thanks to my friends, Neha Mittal, Sujoya, Ruchi, Ashima, and Neha Gupta for their affection, encouraging support and help. Thanks are due to Renu, Smriti, Shonima and Pallavi di for extending help and support whenever required. I would also take this opportunity to thank my colleagues, shriya and Ruchirang for being there and cheering me up whenever I felt low.

Heartfelt thanks to my parents, the makers of my life for the boundless love, immaculate affection, constant inspiration, moral support and above all, their blessings.

I have no words to express my gratitude to my in-laws for being patient and showering their blessings on me. I greatly appreciate their patience in standing by me through thick and thin.

A special mention of gratitude is here, deservedly for my mom in-law, Ranjana and my elder sister, Bhavana for their ever willing co-operation, everlasting inspiration, moral support and affection.

I would like to offer my thanks to Murli and Saurabh, and Tanya for their encouragement, inspiration, love and affection. Sincere word of thanks and appreciation is here for my best friend and husband, Akshay for his calm endurance, motivation and kind understanding of immeasurable extent. Lastly, my gratitude to my beloved little daughter Aura, who silently witnessed my absence during the course of study and yet gave me strength to pursue this dissertation to its completion.
