Thanks to all who gave me moral support:

To my dear family, although miles away, have always sent their warm love and support: Nana, Aai, Ramesh, Sunita, Savita, Tarmanyee and all members of my family. Thanks for reminding me what are things that I should value in life …

Special thanks to Nana and Savita, … for financial support in a crucial phase.

Thanks to all my friends who appreciated my decisions and helped in any way and supported my ideas right from the conceptualization to the completion of this thesis.

I dedicate this work to all Kidney Stone patients, who look forward to Health Care Practitioners and Medicines with faith and belief.

I dedicate this work to the Almighty God, the unseen hands in all situations, which gave me the strength and courage to fulfill my dream and showered upon me his blessings.

My sincere praise and thanks …
