ACKNOWLEDGMENTS

A thanks giving is tedious task.

For the past five years so many came to me with helping hands. The names, the intensity of influence… It differs…but one thing is true, I indebt to you all for the encouragement, the love, the affection, the support… without which it is impossible for me to reach this moment of writing acknowledgement.

Dr.Ashita Raveendran, my Research Supervisor, agreed to guide me without hesitation when I approached her. She suffered a lot with my drafts and I am really thankful to her for her valuable guidance. As the study pointed out the time constraints especially in a women’s life, with two small kids she invested. Thanks to the sufferers, my dear ‘Kutti Ashita’s’.

Thanks to Dr.Sudha, the Head of the Department, Kannur University Central Library, and Manoj for the administrative helps to complete my work. All the library staff and the infrastructure helped a lot. Thanks…

The staff of Ph.D Section, Kannur University… My sincere thanks for their timely help.

Without mentioning the saffron walls of CDS…the place of academic concentration…my words are meaning less. Dr.K P Kannan, for the endless source of encouragement, guidance and support, Dr.Devika the loving intellectual friendship, Dr.Beena for selfless support, Dr.Santhakumar the intellectual guidance, Dr.Binoj for the approachability and academic support, Dr.Thomas Issac for sharing of valuable time … I am not saying meaningless thanks but the unwritten words are more powerful to express my gratitude. I am not forgetting Dr. Soman Nair, the Registrar of CDS, the administrative support and encouragement was always an inspiration for me.
CDS Library staff especially Anilettan., was always with me as the invaluable source of information, I don’t know how to express my gratitude.

My sincere thanks to Simon who imparted the skill of modeling and analysis…

All the staff and students in CDS, helped in this work without any expectations…thanks.

Dr.K.K.Subrahmanian, with his fatherly affection, was always a source of energy driving me ahead. The stay with you and the loving memories …the smiling face of teacher…how can I forget…Yes, I completed my work which you always worried…sir…my work is devoted to you.

Dr. Mary George, for her valuable and loving support and academic help…thanks dear teacher..

Midhun, Hari, Beena, Kunji, Shylajan, Ameer, Radheen, Binoy… many more… thanks… from the depth of my heart.

The staff and students of St.Teresa’s…the help and support …the tolerance…I am thankful to you, dear ones. The staff and students of my college especially Suvarnani teacher, Shobha teacher, Vipin, Mohandas sir, Sivasankaran sir… sincere thanks. Dr. Radhakrishnan sir deserves special mention, who helped me a lot while I was struggling in confusion…thanks sir.

Basheer…without his compulsion, I might not have registered, a simple thanks won’t convey my regards…

Sailaja, Venu, Prsanna, Sreeja, Sajith, Dinakaran, Prakash Vadikkal, … names are endless, thanks giving is meaningless… but …,

My Omana amma…Kuttiyattan…how can I express my gratitude…it is really useless to say thanks…because they are with me always. My husband Mani…he lost the satisfaction due to a reduction in my domestic production and market
production...thanks for his sacrifice. Mother in law, for her increased domestic work time due to my absence...I say thanks.

My Kids...the actual sufferers...for the lost childhood without adequate support from mother, yes you deserve special thanks and gratitude, the violation of your right of care and affection ... Sorry dear Manu and Manya ... I know, my entire work is the cost of your childhood. My Vishnuttan...how can I say thanks to you da...for you sleepless nights with my bibliography.

Praseeda, Faizu, Maria, Anup, Farhath, Dr.Habeeb, Salini ..., I am not trying to reduce the value of their support through saying thanks.

Pralimash and Nisanth how can I express my gratitude towards you...words is not sufficient to express my feelings.

My Jithu... I am not saying thanks to you because...

All the smiling faces...which pumped confidence in me...all my friends...

Thank you...
