Acknowledgement

First and foremost, I am thankful to almighty God for his blessings that always help me to achieve the objective including the completion of the present Research Report.

It is indeed a matter of pride for me to have completed my Ph. D. work under the supervision of Dr. Gunjan Dubey, Associate Professor, Department of Education, Aligarh Muslim University, Aligarh. No formal words of thankfulness or gratitude can represent my indebtedness to her for invaluable help and scholarly insightful and critical guidance starting from the formulation of the problem to the final shaping of the research report. I received utmost benefit from her advice and suggestions at each and every stage in spite of her very busy schedule and being overburdened with work.

I feel short of words to express thanks to Prof. Nabi Ahmad, Chairman, Department of Education, Aligarh Muslim University, Aligarh, who offered all his possible help, encouragement and inspiration to complete the project.

I would like to place on record my special thanks to Prof. C.P.S. Chauhan, Department of Education, Aligarh Muslim University, Aligarh, who helped me. He was cordial enough in making useful suggestions for improvement in Research Report.
I would like to place on record my special thanks to Dr. D.S. Nagi, Former Director of Research, Council for social development, New Delhi, who helped me in the statistical analysis of data.

I will fail in my duty if I do not mention the names of my friends Neelima Joshi, Ritu Sharma, Charu Sharma, Meenakshi Singh, and Bharti and Akshya.

I owe a debt of gratitude to the principals, head masters and teachers who extended their full co-operation and support during the process of data collection. All these people deserve to be mentioned by name but the lack of space restricted me to name them one by one.

I am also thankful to the librarians and other staff members of Maulana Azad Library and departmental library of department of education, A.M.U., N.C.E.R.T., N.U.E.P.A. New Delhi, B.H.U. Varanasi, and Allahabad University, Allahabad for all their co-operation and helps.

Last but not least I cannot afford to forget to express my indebtedness and gratitude to my parents, in-laws, husband, sister and sister-in-law. During the course of the study I had to unfortunately neglect some of my duties towards them. But they did not complain or show even the slightest grudge or regret; on the contrary they always remained a source of inspiration and support.
