Acknowledgements

At first, I would like to thank the omnipresent and omnipotent, who gave me courage to cross every milestone successfully, in my life and would thank my Alma-Mater AMU, which has been proved to be a pioneer in providing the stage.

I'm extremely grateful to my supervisor, Masood Ali Beg saheb, Department of Linguistics, Aligarh Muslim University, Aligarh, for suggesting this topic and for helping me to acquire the confidence to embark upon this work. I owe him more supports, ideas and thoughts than it can be given due credit here. From inception to conclusion, this study owes so much to him.

I must sincerely thank Prof. Imtiaz Hasnain, Chairman, the respective Department of Linguistics for his encouragement and advice at the various stages of the preparation of this work.

I must also acknowledge Prof. A.R. Fatih, Department of Linguistics, for providing me with invaluable suggestions, from which I have benefited greatly.

I am immensely grateful to Prof. Qazi Afzal Husain, Department of Urdu, Aligarh Muslim University, Aligarh, who has given me the benefit of his precious opinions and very valuable suggestions where I needed in writing this doctoral thesis. I have a sense of deep gratitude for him.

I am also indebted to my teachers, Dr. Shabana Hameed, Dr. Samina A.A. Surti and Dr. S. Ekhtiyar Ali for their help & support.

A special thank however, goes to Mr. Najibul Hasan, Incharge Seminar Library of the Department of Linguistics, for his great cooperation in issuing and sometimes suggesting useful books and for extending endless help and support throughout the different phrases of this study.

I would also like to express my gratitude to every member of the teaching and non-teaching staff Mr. Anil K. Goel, Ms Noor Bano, Mr. Haseebur Rahman and Wasiuddin Bhai in the department of Linguistics, for encouragement and support at various stages.

I am personally grateful to Mumtaz for his encouragement and support at various stages.

My parents have been constant source of inspiration for me. Without their encouragement and affection, it would not have been possible for me to complete this work.
My sincerest appreciation and remarks of admiration are extended to my loving husband Mr. Asghar Ameen and to my daughters Juma and Hifza who sacrificed the most. Their great support, care, understanding and being with me were very much needed during the various stages of my research. I do not think that I will be able to repay them. Only Allah can reward them for their patient and being excellent and caring family members.

I can’t forget to express thanks to my dear brothers Shahbaz and Huzaifah whose love and affection have constantly been a vital force and zeal for me.

I am personally grateful to my best friend Aam Zafar for her encouragement and support at various stages. My special thanks are also due to my friends Saba, Anjum, Paiker, Suhel, Shaista, Tabassum, for their help and support.
