ACKNOWLEDGEMENTS

I owe a deep sense of respect and gratitude to my supervisor and guide Professor B.S.Mipun, Department of Geography, North-Eastern Hill University, Shillong for his untiring guidance throughout my research work. I am thankful for his uninhibited guidance and encouragement and constant monitoring of the progress of my work to give successful completion of the research and his untiring help in the preparation and completion of this manuscript.

I express my heartiest thanks to all my teachers, office staff of Department of Geography, North-Eastern Hill University for their inspiration, encouragement, and valuable suggestions in matters which were beyond my perception.

I also express my heartiest thanks to International Foundation for Science, Sweden and Asian Rhino Project, Australia for providing me necessary fund for the field work and also for procuring necessary equipments required for this study.

I am highly indebted to Dr. Bibahb Kumar Talukdar, Secretary General, Aaranyak, a Scientific and Industrial Research Organization (SIRO) based at Guwahati, Assam for sharing his invaluable knowledge and expertise in matters related to the study area and the subject of research, and also for providing GIS facilities and necessary materials.
I also express my gratitude to Dr. Kiranmoyee Sarmah, Department of Environmental Management, Guru Gobind Singh Indraprastha University, Delhi for his continuous encouragement and support during the study period.

I am also thankful to Dr. Rajan Amin of Zoological Society of London for his continuous encouragement and support during the preparation of this manuscript.

I am special thankful to Mr. Jayanta Deka, Ex-Range Officer of Rajiv Gandhi Orang National Park, Mr. Sukumar Momin, Ex-Divisional Forest Officer, Mangaldoi Wildlife Division, Mr. Sushil Kumar Daila, Divisional Forest Officer, Mangaldoi Wildlife Division and all the staff of the Rajiv Gandhi Orang National Park for their support and encouragement during field survey period.

Last but not the least, I acknowledge my indebtedness to my parents, my wife, my daughters Nistha and Tanistha and all other family members and colleagues for their moral support and patients throughout the duration of the research.
