ACKNOWLEDGEMENT

There are large number of personalities to whom this thesis is heavily indebted for its development and completion. Most thankfully, I wish to acknowledge my deep sense of gratitude to my supervisor Dr. Tridib Tripathi, Head, Dept. of Library and Information Science, The University of Burdwan for his every guidance, constant encouragement, constructive criticism, stimulating discussion and keen interest evinced throughout the course of the present study.

I take this opportunity to thank the authorities of The University of Burdwan for providing me the opportunity to carry on this research work and extending full cooperation and support.

I express my sincere thanks to the faculty members of the Dept. of Library and Information Science, The University of Burdwan for their constant help and cooperation.

Most thankfully, I acknowledge the help and support extended to me by the Librarians of all the Medical College Libraries in West Bengal as well as the Librarian of The West Bengal University of Health Sciences.

I like to express my whole hearted thanks to the staff of the National Library, Kolkata for their cooperation.

I express thanks to all the library staffs, Central Library, The University of Burdwan for their help in collecting information relevant to my present study.
My sincere thanks are also due to all my friends especially Mr. Amit Kumar Das, Mr. Bairam Khan, Mr. Dulal Chandra Maji have been valuable sources of inspiration and support throughout this work.

I offer my sincere thanks to Sri Joydeep Roy, who has typed the manuscript within a very short period with help of computer neatly and elegantly.

I am highly indebted to my beloved with Mrs. Sabina Yeasmin for her kind cooperation and moral support which made this work possible.

However, I am solely responsible for any errors and omissions in this thesis.
