ACKNOWLEDGEMENT

To the Almighty God - source of all life and goodness from whom everyone in heaven and on earth takes its name. His blessings and His power that work within me and also with the people behind my life for inspiring, guiding and accompanying me through the thick and the thin; I bow before you with gratitude. It is a pleasant moment to express my heartfelt gratitude to all. I dedicate this page to each and everyone who have helped me to explore the expanses of knowledge.

I take immense pleasure to express my sincere and deep sense of gratitude to my supervising guide and mentor, Prof. C. S. Paulose, Director, Centre for Neuroscience, Dept. of Biotechnology, Cochin University of Science and Technology for his sustained enthusiasm, creative suggestions, motivation and exemplary guidance throughout the course of my doctoral research. I am deeply grateful to him for providing me necessary facilities and excellent supervision to complete this work. His passion for work and zeal for scientific excellence has exceptionally inspired and enriched my growth as a student and a researcher as well. I am short of words to express my sincere appreciation for his patience and tolerance to me throughout this period. I solemnly submit my honest and humble thanks to him for bringing my dreams into reality. His understanding, encouraging and personal guidance have provided a good basis for the present thesis. I am solemnly indebted to him more than he knows or words can ever convey.

I offer my sincere thanks to Prof. E. Vijayan, UGC-Visiting Scientist, Centre for Neuroscience, Dept. of Biotechnology, Cochin University of Science and Technology and Dr. Oommen V Oommen, Department of Zoology, University of Kerala for their help and encouragement during the period of my research. Also, I wish to extend my gratitude to Dr. Babu Philip, Dept. of Marine Biology, Microbiology and Biochemistry, CUSAT for his help, encouragement and advice.

I would like to acknowledge Dr. Sarita G. Bhat, Dr. Padma Nambisan, Prof. M. Chandrasekaran, faculties of the Department of Biotechnology, CUSAT, and
Dr. Elyas K. K., former lecturer of the Department for their advice and support throughout my work.

I take this opportunity to thank Prof. R. Muraleedharan Nair, Dean and Faculty of Science, Cochin University of Science & Technology for his help extended to me.

I thank all the teachers of my school days, graduation and post-graduation for laying my foundations.

I sincerely acknowledge my senior colleagues Dr. Jackson James, Dr. Ani V. Das, Dr. Balarama Kaimal S, Dr. Akash K. George, Dr. Gireesh G, Dr. Reas Khan S and Dr. Savitha Balakrishnan, for their support and encouragement.

S., Ms. Divya T., Ms. Shabana Raji – thank you all for being there when I needed help. I will never forget the times you have spent to make me lively and cheerful even in the cloudiest of my days.
My joy knew no bounds in expressing heartfelt thanks to my beloved Parents. With enduring patience they stood by me during the ups and downs of my life. I can barely find words to express all the wisdom, love and support given to me by my beloved parents, Dr. Kuruvilla Thomas and Mrs. Geetha Kuruvilla for their unconditional love, fidelity, endurance and encouragement. I take this moment to express my never ending love and respect towards them for their blessings. I am deeply indebted to my dear brother, Adv. Thomas P Kuruvilla, and sister in law, Mrs. Reshma Mathew for motivating me in effectively working and accomplishing my goal. I owe my thanks to my beloved grandparents, uncles, aunts, cousins, nieces and nephews for their inseparable support and prayers throughout my Doctoral study. They have been selfless in giving me the very best of every thing and I express my deep gratitude for their love, sacrifice and support without which this work would not have been complete.

There may be so many others whom I may have inadvertently left out. I take this opportunity to thank all of them for their help.

My tribute…..to a number of animals who have paid a price with their lives and suffering in the name of human protection. I pay my tribute to their sacrifice and pray that it is not in vain.

The woods are lovely, dark and deep.
But I have promises to keep, and miles to go before I sleep
