I acknowledge with profound sense of gratitude, the invaluable guidance and encouragement given by my guide Professor E. Swaminathan, Professor of Geography, S.K. University, Anantapur. He has been good enough to encourage the research activities all through. He has offered many useful suggestions especially for literature collection keeping in view the meagre quantity and quality of books to be referred here in the University library. His efficiency, patience in supervision, critical acumen and very useful timely guidance are clearly reflected through this work. Without his unstinted co-operation and help the thesis might not have seen the light of the day.

My heartful thanks are due to Dr. S. Subbaiah, Reader and Dr. Sivaganam, Reader, Department of Geography, University of Madras, Madras, for processing the data in their department computer centre. I express my special thanks to them to have processed the data at reasonably short time.

I am thankful to the Head of the Department of Geography, Dr. S. Sambhasiva Rao for his encouragement and help.
I take this opportunity to thank Dr. Ramaiah, Reader in Geography, S.K.University for his help rendered to me in needy times.

I also thank Miss. K. Krishna Kumari & Dr. Ravindra Reddy, Lecturers for their help in many ways.

I thank the I.C. S.S.R. Southern Regional Centre for granting the study Grant to carryout the literacy work at Bombay.

I wish to thank Professor K. Vithal Reddy, Professor of Geography, Osmania University, Hyderabad for his help during data collection and reference work at Hyderabad.

I wish to place on record the help rendered by Prof. B. Aruachalam, Dr. Sita and Dr. Phalke, Department of Geography, Bombay University, Bombay, for helping me to carryout my reference work in their University. I also thank Dr. Udaya Bhaskar Reddy, Tata Institute of Social Science, Bombay, for the help extended for the collection of references.

I will be failing in my duty if donot thank my colleagues T. Penchalaiah, Y.V. Kumar Reddy, Naveen Kumar Charles, Dr. Uma Maheswari, K. Jayashree, Geetha Chandrasekhar, Madhurima, Dr. Ramakrishna Reddy, Ramprasad, Jayachandar and Krishna Reddy for their encouragement and necessary help.
It is my privilege and duty to extend my love and thanks to my beloved parents Mrs and Mr. John C. John who are my eternal source of inspiration and have encourage and supported me from the beginning to the completion of this work.

I express my profound thanks to my dear sister Miss. Meeva John and brother Mr. John C. Alex who were my moral supporters all through my Ph.D work. And then I sincerely thank my husband Mr. Jacob to have given me a break soon after the marriage and to have tolerated me thereafter till my submission of the thesis.

I wish to record my special thanks to Mr. R. Sastry & R. Nagarjuna of Deepti Computer Centre, Anantapur for the neat typing of this thesis in a very short time.

I thank the non-teaching staff members of the department Mr. Vardhi and Mr. Chennappa for their help rendered.

I also thank all those people who helped me in some way or other and prefer to be in the back ground.

I am to state that what all good is found in this work is due to others and all the mistaken are mine.
