ACKNOWLEDGEMENTS

Words would, perhaps, be insufficient to express my deep sense of gratitude to my Research Supervisor Dr. M. Sambasiva Rao, Reader, Department of Geography, S.K. University, Anantapur, without whose co-operation and perennial encouragement this work would not have taken this shape. I am greatly indebted to him for exposing me to the new ideas and making me aware of the modern development in the subject.

My sincere thanks are due to Prof. E. Swaminathan, Professor and Head of the Department of Geography, S.K. University, Anantapur, for having evinced keen interest in the accomplishment of this work. I am very much thankful to him for his good will, valuable suggestions and spontaneous help at all stages.

I owe my gratitude to Dr. Y.V. Ramanaidh, Reader, Department of Geography, S.K. University, Anantapur, for his valuable suggestions, constant encouragement throughout my University education.

I am equally grateful to Dr. K. Ravindra Reddy and Mr. K. Krishnaiah, the faculty members of the Department of Geography, for their moral support and encouragement to complete this research work.
I owe my special thanks to Miss. Krishnakumari, A. Lecturer in Geography, S.K. University, Anantapur, for her keen interest and moral support in completion of M.Phil.

I am very much thankful to all my friends as well as my colleagues, especially Miss. Meenu John, Y.V. Kumar Reddy, Naveen Kumar Charles, Chandrasekar, and Madhurima for all their co-operation in making this task easy.

I am thankful to Dr. Rajaratnam, Reader, Malakondaiah, Lecturer, Department of Instrumentation, S.K. University, Anantapur, to have permitted me to make use of computer analysis. I would like to express my thanks to Mr. K. Azam Khan, Rammoorthy, Ramesh, Prasad and Lakshmi Narasaiah, who have helped me in computer analysis of data.

I am also very much thankful to Mr. Sreenivasa Reddy, Ramprasad, Research Scholars, Department of Economics, Hanumantha Reddy, Sivakumar Reddy, Senior Research Scholars in Chemistry, Sreenivasula Reddy, Harindra Prasad, Research Scholars in Botany, Anjeneyulu, Research Scholar in Commerce, Nadhamuni, Department of R.D., who helped me to completion of this work.

I am thankful to Mr. A.H. Sreenath for typing this thesis neatly with patience and care.

I will be failing in my duty if I do not record here my heartful gratitude to my parents, uncles and other family members without whose love and affection, I would not have the benefit of my Higher Studies.
