ACKNOWLEDGEMENT

I take this opportunity to express my deep sense of gratitude to my research supervisor, Prof. K. Lakshmi Devi, Department of Biochemistry, Sri Krishnadevaraya University, Anantapur for her guidance and valuable suggestions throughout my research work.

I extend my sincere thanks to Prof. N. Ch. Varadacharyulu, HEAD, Department of Biochemistry and the staff members of the department Prof. D. Sarala Kumari, Prof. S. Dayananda, and Prof. C. Suress Kumar.

I am very much thankful to Prof. Vijay Deshpande, Department of Biochemistry, Osmania University, Hyderabad for allowing me to carry out some of the experiments. I would like to thank Prof. P. B. B. N. Charyulu and Prof. B. Rajashekar Reddy, Department of Microbiology for their kind help in the preparation of thesis.

I am grateful to the library authorities of Sri Krishna Devaraya University, Anantapur, National Institute of Nutrition, Hyderabad, Indian Institute of Science, Bangalore, CFTRI, Mysore, for their kind co-operation.

Without the encouragement and participation of many people this work would never have accomplished. My personal and very deep appreciation goes to each of the extending hands and helping hearts Prof. K. R. S. Sambasiva Rao, Centre For Biotechnology, Nagarjuna University, Guntur, Prof. B. Venkatappa, Dept. of Microbiology, S K University, Anantapur, Dr. Venkatesh, Boston University, Dr. Mary Cynthia, Vice Principal, TIMS College, Bangalore, Dr. Raju K..C, Associate Professor, AMC College, Bangalore, Dr.R. Mallikarjuna Reddy, Jawahar Bharati Degree College, Kavali.

I am indebted to my parents, and all my family members for their invaluable support and encouragement.

Finally, very special thanks to my loving, supportive considerable friends Dr.Muralidhara Rao, Sai Krishna, Kareem, Rameshwar Reddy, Sreenivasulu, Ramesh, Altaf, Sailaja, Rajendra Goud, and Dr.C. Basavaraj.

Lastly, but not least I extend my grateful thanks to the non-teaching staff of Department of Biochemistry, S K University, Anantapur.

(K. SURESH BABU NAIDU)
