ACKNOWLEDGEMENTS

The investigator expresses her deep sense of gratitude and indebtedness to her Guide Dr. A. Ponnambala Thiagarajan, Selection Grade Lecturer, V.O.C. college of Education, Tuticorin for suggesting the topic and for his excellent guidance and unstinted advice. It is her privilege to work under his supervision and she is very grateful to him for his inspiration, dynamic motivation and ineffable encouragement without which this study would not have been made possible.

The investigator offers her sincere thanks to the Managing Committee, Secretary and Principal, of the V.O.C College of Education, Tuticorin, for having provided her an opportunity to do Ph.D in their institution.

The investigator’s thanks are due to the Director and its members of the Research Forum, V.O.C. College of Education for their creative suggestions and valuable discussions during the period of this research work.

The investigator wishes to extend her hearty thanks to the eminent social and fishery scientists in the various universities of Tamil Nadu for their valuable suggestions at every phase of her research work.

The investigator is grateful to the Chief Educational Officer, Tuticorin and the Headmaster of the
Government Higher Secondary School, Autoor for having given her permission to pursue this piece of research.

The investigator is very grateful to the Chief Educational officers and Headmasters and Headmistresses of High/Higher Secondary schools in Ramanathapuram, Chidambaranar, Tirunelveli Kattabomman and Kanyakumari districts for having accorded necessary permission to collect data for this research work. She also gratefully acknowledges the help and cooperation rendered to her by the teaching, non-teaching members and students of these schools in providing necessary data.

The investigator is extremely thankful to all the Librarians in various universities, colleges and government departments for their immense help in the supply of relevant literature. The investigator expresses her thanks to M/s. VES Computer Data Processing Centre, Tuticorin for their expertness in analysing the data and prompt and sincere efforts in getting this thesis printed in an excellent manner.

Last but not least, the investigator wishes to render her hearty gratitude to her beloved husband who has helped her always and in every way by his constant encouragement, help, prayers and sacrifices, and children and other family members for their blessings.
