ACKNOWLEDGEMENTS

I would like to express my deep sense of gratitude and colossal respect to my research supervisor, Prof. H.M. Rai, Ex-Professor, National Institute of Technology, Kurukshetra for giving me inspiration to carry out something new in the field of weather forecasting using soft computing approach. I discovered my inherent qualities and develop myself as a true researcher while working with him. I am highly thankful for his kind and co-operative nature which keeps me determined throughout my research.

I would like to thank my co-supervisor Prof. Dharmender Kumar, Dean, Faculty of Engineering and Technology and Chairman, Department of Computer Science and Engineering, Guru Jambheshwar University of Science and Technology, Hisar, Haryana, for providing necessary support during my research work. His constant inspiration and encouragement to my every work shall always be acknowledged.

I am grateful to god for providing me an excellent environment conducive to research. I acknowledge the help that I received from Department of Agricultural Meteorology, College of Agriculture, CCS Haryana Agriculture University, Hisar, especially Dr. Surender S. Dhankar, Scientist, Agrimet, for providing me essential information regarding weather phenomena, observatory activities, and meteorological information from time to time.

I thank my husband, Prof. Sanjay Singla who continued my education after marriage and inspired me to find in myself what I am actually made for and helped me to make my dream come true.

I would like to indebted many thanks to my forever friend Dr. Sangeeta Gupta, Director, OITM, Hisar for being an ever-flowing fountain of inspirations.
I express my indebtedness to ‘Durga Maa’ for her blessings and direct love and caring in the form of my loving daughters Drishya and Anmol. I am highly thankful to my parents to support me in doing my post-graduation in spite of so many social barriers.

Besides this, a lot of people are there to make me stand at this level, without their motivation, I may never reach this goal and I owe this to all of them.

(Priti Singla)
