ACKNOWLEDGEMENTS

In procuring material for my thesis I had to go through files of old periodicals and publications and explore the dust-laden stacks of various libraries at Delhi, Calcutta and Aligarh. I am beholden to the Librarian, High Commissioner for India, London, for sending the photostat copies of several rare documents. I am also thankful to the librarian, M.M. College, Modinagar who helped me in getting the books on loan from various Indian and foreign university libraries. I am also indebted to a number of scholars who have helped me in various ways in preparing this thesis. I am deeply obliged to Prof. A.A. Ansari, Head of the Dept. of English, Aligarh Muslim University, Dr. R.B. Sharma, Director Hindi Institute, Agra University, Dr. D.K. Chopra, Professor Emeritus, Meerut University, Prof. P.S. Shastri, Head of the Dept. of English, Nagpur University, Prof. M. Hasan and Dr. H Raizada of the Dept. of English, Aligarh Muslim University, who took keen interest in my work from the very outset and helped me with their valuable advice on a number of occasions. I owe a debt of profound gratitude to Dr. O.P. Govil, Reader in the Dept. of English, Aligarh Muslim University, without whose unfailing help, able guidance and constant encouragement this work would not have seen the light of day.

My thanks are also due to Seth C.M. Modi, Padma Bhusan and Principal Dr. C.P. Singhal for constant encouragement and help. I owe my thanks to my colleagues Mr. J.S. Agrawal and Mr. B.K. Shah who helped me in revision of my typed script.
