ACKNOWLEDGEMENT

It is great pleasure to express thanks and appreciation to those who gave me promptitude of help all through this research work and made it possible for me to complete this task.

At this very outset I do express my sincere gratitude to Late Prof. Dr. Pratul Goswami, M.B.B.S., D.Phil (Gau), Ph.D. (Glasgow), F.C.C.P. former Professor & Head, Department of Biochemistry and Retd. Director of Institute of Advanced Study Science and Technology, Khanapara, who chose subject for me and without whose mature and able guidance this humble work would not have seen the light of the day.

I solemnly express my deep sense of gratitude and regards to Dr. N.N. Barman, M.D., Retd. Principal and Head, Deptt. of Medicine of Gauhati Medical College and Former Dean, Faculty of Medicine, Gauhati University as my research guide for his priceless advice, critical appreciation and constant inspiration which helped me very much to carry out this work. His reassuring words and generosity were a constant source of my encouragement.

I take the opportunity to express my sincere gratitude and respect to my father Dr. B.K. Sharma, BI.MS, HP A (Jamnapar) Retd. Prof. and Head, Deptt. of Sanskrit Samhita and Siddhanta, Govt. Ayurvedic College for his constant inspiration and constructive suggestion all through out the period of study.

I am obliged and grateful to Dr. Apurba Chakravarty, Prof. and Head, Deptt. of Pathology, College of Veterinary Science under whose guidance I had the privilege to work. Throughout this work, he has been to me a source of encouragement specially for rendering the laboratory facilities and guiding the histological investigation of the proposed work.

I am obliged and grateful to Dr. A.M. Dutta, Department of Chemistry at Govt. Ayurvedic College, Dr. Jiten Goswami, Prof. Deptt. of Philosophy, Dr. Rabin Goswami, Prof. and Head, Deptt. of Genetics and Animal Breeding of College of Vety. Science, Khanapara for their valuable advice and guidance from time to time.
I am specially indebted to Dr. Kaishalash Bhattacharjya, Asstt Prof. and Dr. (Mrs.) Nandita Sinha, Associate Professor, Deptt. of Bio-Chemistry, Gauhati Medical College, Dr. Gajen Sarma, Curator, Deptt. of Botany, Gauhati University, Mr. Manas Borthakur, Deptt. of Zoology of Pub-Kamrup College for their untiring helps and kind co-operation throughout the entire period of preparing this thesis.

I acknowledge with thanks the encouragement from Dr Rajlakhmi Devi, Dr. Dipali Devi, Dr. J. Kakoty, Dr. P. Azad, Dr. S. Deka, Dr. M.K. Kalita, Dr. A. Devi of Institute of Advanced Study of Science and Technology, Khanapara for their invaluable help and suggestion.

I take the opportunity to offer my heartiest thanks to my colleagues of Govt. Ayurvedic College for their encouragement for the research work, my beloved students of 2nd Prof. BAMS and Staff of the Deptt. of Dravyaguna & Rasashastra for tendering all shorts of help and assistance.

I would like to extend my sense of gratitude to Mr. A. Sarma, Mr. T. Roy, Mr. B. Kalita in Deptt. of Ph. D. Section of G.U., Mr. Anil Sarma of G.U. Library and Mr. Bipin Chandra Goswami, Deptt. of Statistics of G.U. for their creative suggestions during the period of my research work.

I like the pleasure to offer my special thanks for my wife Ms. Purabi Sharma for her constant encouragement for the whole period of my research. I also wish to record my affectionate love to little Mamu and Reem, who along with me during preparation and writing of this work.

I would like to extend my sense of gratitude to Martinet Computer Centre, Jalukbari, Guwahati - 14 for beautiful Computer works within a very short span of time.

At last, I wish to express my gratitude to all those persons who helped me directly or indirectly in this work.

Date: 3rd August 2000

DR. RAMA KANTA SHARMA
