CONTENTS

Chapter I  INTRODUCTION  
  Study Area 
  Previous work 

Chapter II  MATERIALS AND METHODS  
  Materials 
  Methods 

Chapter III  CLIMATE AND VEGETATION  
  CLIMATE 
    Rainfall 
    Temperature 
    Relative Humidity 
    Wind Velocity 
  VEGETATION 
    1. Scrub / Thorn forests 
    2. Dry deciduous forests 
    3. Moist deciduous forests 
    4. Semi-evergreen forests 
    5. Wet evergreen forests 
    6. Shola forests 
    7. Grass lands 

Chapter IV  FLORISTIC DIVERSITY  
  Generic Diversity 
  Species Diversity 
  Diversity of life forms
