Fig 1  Pahalgam Palaeolithic tools

1 Flake tool. 2 Hand axe
Fig 2 Sindh and Ladder Valley Palaeolithic tools

I Convex edged scraper. II Interglacial, Pahalgam. 2 side scraper. III Glacial, Nnr. 3 two-edged scraper. II Glacial, Prang. 4 scraper-Chopper. II Glacial, Sonmarg.
Fig 3  Palaeolithic tools, Ladder Valley

1-2 Sub-triangular pebble chopper. 3 sub-triangular flake pointed tool. 4 ovoid pebble chopper.
Fig 4 Palaeolithic tools Ladder Valley

1 Sub-triangular pebble chopper. 2 crescentic pebble chopper. 3 split pebble chopper.
Fig 5 Palaeolithic tools Ladder Valley

1 Sub triangular pebble flake scraper, 2 ovoid flake moustarian scraper, 3 sub oval pebble flake scraper.
Fig. 6 Manshal Palaeolithic tools

1 Convex sided scraper, 2 semi-ovoid cleaver
Fig 7  Manshal Palaeolithic tools

1 Ovoid scraper, 2 semi-ovoid tool, 3 pointed tool, 4 hand axe.
Fig 8  Burzahom hand-made bowls and basins

1 Convex sided bowl, 2 convex sided bowl with pedestaled ring base, 3-4 shallow basin, 5 shallow basin with straight base, 6 deep bowl with tapering straight sides and straight base, 7 deep convex sided bowl and base having mat-impression, 8 bowl with straight sides and base having ledge, 9 bowl with straight base carrying mat-impression.
Fig. 9 Burzahm hand made dull red and grey ware vessels.

1 Base part of stand (dish-on-stand), 2 stem piece of stand (dish-on-stand), 3 pot with flaring rim and raised neck, 4 globular pot with prominent neck, 5 globular pot with incipient neck, 6-8 wide mouthed combed ware pot with out-turned rim, 9-10 variants of 8, 11 wide mouthed pot having ledge on the rim.
Fig. 10 Burzahom black burnished pots.

1-8 Basin with shapeless rim, 9 shallow basin with straight flat base, 10-11 deep bowl with tapering sides, 12 deep bowl with straight base, 13 stem piece of stand (dish-on-stand), 14 wide mouthed pot with flaring rim and incipient neck.
Fig 11 Burzahom black burnished Vessels

1-10 Flaring rim of a pot, 11 globular pot with long neck, 12 globular pot with long neck and having pedestal base, 13 globular pot having flaring rim, long neck carrying notched design, globular body and pedestal base.
Fig. 12 Hand made grey and dull-red ware pottery
Gofkral period 1 B.

1-7 Flaring rim of wide mouthed pot, 8-10 basins, 11
base of stand (dish on stand), 12-16 open mouthed
pot, 17 flat bottomed shallow dish, 18 flat bottomed
basin, 19 flat-bottomed dish.
Fig. 13 Gofkral period IC pottery

1-3 Wide mouthed globular pots, 4-5 open mouthed pots, 6-8-9, raised necked pots, 10-13 wide mouthed incipient necked pots, 11-12 long necked flaring rimed pots, 14,17-18, 24-26 wide mouthed globular pots having incipient necks, 15-16, 20-2, 27-28 variants of bowls
Fig. 14 Vessels of Neolithic Kashmir

1-3 Combed ware, 4 dull red ware 5-10, burnished ware, 11 gritty-red ware.
Fig. 15 Artistic creation on pottery

1-3 Graffiti on burnished pottery, Burzahom. 4 Graffiti on combed ware, Gufkral 5 Pre-Harappan buccanian motif on pot, Burzahom.
Fig 16 Neolithic pottery, Kashmir

1-2 Black burnished, Burzahom, 3 dull-red, Hariparigan, 4-5 wide mouthed burnished pots Burzahom, 6 wide mouthed combed ware, Burzahom, 7 grey ware basin, Burzahom, 8 dull red ware basin Burzahom, 9 red hand made Burzahom, 10 dull red ware, Gofkral, 11 black burnished, Hariparigan.
Fig. 17 Neolithic pottery, Kashmir

Fig 18 Neolithic rock art, Burzahom.

1 Tectiform. 2 hunting of stag.
Fig 19  Neolithic tool making stages.
Fig 20 Stone tools of Neolithic Kashmir

1 Mace head, 2 harvester 3 points, 4 grinder, 5 sling ball, 6 scraper
7 quern, 8 chisel, 9 pick axe, 10 celt with hafting methods. 11 adze
with hafting method, 12 hoe
Pl 1 1 Burns, points, borers in the Upper Palaeolithic technique, Sombur
2 Elongated parallel sided double scrapers, backed knives of pre-ceramic industries
3 Huge chopper like discoidal core of pre ceramic industries
Pl. II 1  Burzahom excavations by de Terra
2 A typical circular pit, Burzahom period 1
3 Circular pits at Gofkral period 1A
Pl III 1. Circular pits connected with arched plastered corridor, Burzahom period I
2. Burzahom pit chamber with a central hearth, period I
3. Floors with post holes of timber structures, Burzahom period II
Pl IV  
1. Successive floors at Burzahom (period II)  
2. Structure made of upright slabs, Burzahom period II, from this structure first evidence of the Neolithic art is known  
3. Rubbel and mud structures built during Megalithic period, Burzahom
Pl. V  Burzahom bone tools
Pi VI  1-2 Burzahom bone tools
      3 Gofkral bone tools
Pl. VIII  Gofkral stone tools
1. Copper objects, Burzahom
2. Copper pin, beads, Golfkral
PI X
1. Mat impression on the base of pots, Burzahom
2. Burnished ware pots, Burzahom
3. High necked jar, Burzahom
PI XI

1. Upper Jelum Valley Neolithic celts
2. Upper Jhelum Valley Neolithic mace heads
3. Mace heads from Dur, Gofkral, Brah and Rangal
4. Turkepura cell
Pl. XII 1. Combed grey ware with mat impression
2. Combed ware, Narastan Tral
3. Black burnished with incised cut design
4. Gritty red ware, Sonbur
PL XIII 1 A women in crouched position in a grave pit. Burzahom period II
2 A child buried in a grave (period II) His grave pit was just below the left
foot of the reclining skeleton of a male, at Burzahom, period III
3 Fractional burial of a male. Burzahom period II
Pl IVX 1  Treplanned skull, Burialom period II
2 A flexed burial of a dog, period II
3 Fragmentary bones of dog, stag in a grave pit, period II
4 A fractional burial of a stag, period III
