List of Tables, graphs, histograms and pie diagram:

Table-1. Price list of few Dendrobium species sold in the market of Meghalaya in North East Region of India

Table-2. Meteorological data (Temperature) for Pasighat (ARUNACHAL PRADESH) for the years 2000-2004

Table-2a. Meteorological data (Relative Humidity) for Pasighat (ARUNACHAL PRADESH) for the years 2000-2004

Table-2b. Meteorological data (Rainfall) for Pasighat (ARUNACHAL PRADESH) for the years 2000-2004

Table-3. Meteorological data (Temperature) for Guwahati (ASSAM) for the years 2000-2004

Table-3a. Meteorological data (Relative Humidity) for Guwahati (ASSAM) for the years 2000-2004

Table-3b. Meteorological data (Rainfall) for Guwahati (ASSAM) for the years 2000-2004

Table-4. Meteorological data (Temperature) for Monanbari (ASSAM) for the years 2000-2004

Table-4a. Meteorological data (Relative Humidity) for Monanbari (ASSAM) for the years 2000-2004
Table-4b. Meteorological data (Rainfall) for Monanbari (ASSAM) for the years 2000-2004

Table-5. Meteorological data (Temperature) of North Lakhimpur (ASSAM) for the years 2000-2004

Table-5a: Meteorological data (Relative humidity) of North Lakhimpur (ASSAM) for the years 2000-2004

Table-5b. Meteorological data (Rainfall) of North Lakhimpur (ASSAM) for the years 2000-2004

Table-6. Meteorological data (Temperature) for Silchar (ASSAM) for the years 2000-2004

Table-6a. Meteorological data (Relative Humidity) for Silchar (ASSAM) for the years 2000-2004

Table-6b. Meteorological data (Rainfall) for Silchar (ASSAM) for the years 2000-2004

Table-7. Meteorological data (Temperature) for Tezpur (ASSAM) for the years 2000-2004

Table-7a. Meteorological data (Relative Humidity) for Tezpur (ASSAM) for the years 2000-2004

Table-7b. Meteorological data (Rainfall) for Tezpur (ASSAM) for the years 2000-2004

vii
Table-8. Meteorological data (Temperature) for Imphal (MANIPUR) for the years 2000-2004

Table-8a. Meteorological data (Relative Humidity) for Imphal (MANIPUR) for the years 2000-2004

Table-8b. Meteorological data (Rainfall) for Imphal (MANIPUR) for the years 2000-2004

Table-9. Meteorological data (Temperature) for Shillong (MEGHALAYA) for the years 2000-2004

Table-9a. Meteorological data (Relative Humidity) for Shillong (MEGHALAYA) for the years 2000-2004

Table-9b. Meteorological data (Rainfall) for Shillong (MEGHALAYA) for the years 2000-2004

Table-10. Meteorological data (Temperature) for Cherrapunjee (MEGHALAYA) for the years 2000-2004

Table-10a. Meteorological data (Relative Humidity) for Cherrapunjee (MEGHALAYA) for the years 2000-2004

Table-10b. Meteorological data (Rainfall) for Cherrapunjee (MEGHALAYA) for the years 2000-2004

Table-11. Meteorological data (Temperature) for Lengpui (MIZORAM) for the years 2000-2004
Table-11a.: Meteorological data (Relative Humidity) for Lengpui (MIZORAM) for the years 2000-2004

Table-11b. Meteorological data (Rainfall) for Lengpui (MIZORAM) for the years 2000-2004

Table-12: Meteorological data (Temperature) of Gangtok (SIKKIM) for the years 2000-2004

Table-12a. Meteorological data (Relative Humidity) of Gangtok (SIKKIM) for the years 2000-2004

Table-12b. Meteorological data (Rainfall) of Gangtok (SIKKIM) for the years 2000-2004

Table-13. Dendrobium species of North East Region of India categorized into Intermediate, warm and cool types depending on the range of temperature.

Table-14. The Altitudinal Distribution of Dendrobium species in North East Region of India.

Table-15. Percentage (%) of occurrence of Dendrobium species in the different altitudinal zones of North East Region of India.

Table-16. Flowering Period of Dendrobium species in North East Region of India

Table-17. Average annual Rainfall, Temperature, Relative humidity in the four seasons of North East Region of India w.e.f. 2000-2004.
Table-18. Photoperiod of flowering of *Dendrobium* species in North East Region of India

Table-19. Number of *Dendrobium* species flowering in the different Seasons of North East Region of India.

Table-20. Phenological data of *Dendrobium* species in North East Region of India

Table-21. *Dendrobium* Diversity in North East India, Rest of India and Neighbouring countries surrounding the North East Region

Table-22. Percentage (%) of Diversity of *Dendrobium* species in the different states of Northeast India, rest part of India and neighbouring countries surrounding the North East Region

Table-23. Status of *Dendrobium* Species in North East Region of India

Table-24. Morphological variations observed in few *Dendrobium* species in North East Region of India.

Graph-1. Average annual Temperature in North East Region of India w.e.f 2000-2004.

Graph-2. Average annual Relative Humidity in North East Region of India w.e.f. 2000-2004.

Graph-3. Average annual Rainfall in North East Region of India w.e.f 2000-2004.
Histogram-1. Altitudinal Distribution of *Dendrobium* species in different climatic zones of North East Region of India

Histogram-2. Flowering period of *Dendrobium* species in the four seasons of North East Region of India.

Histogram-3. Diversity of the genus *Dendrobium* Sw. species in the different states of North East Region of India.

Histogram-4. Diversity of the genus *Dendrobium* Sw. in Northeast India along with rest part of India and its neighbouring countries surrounding North East Region of India.

Pie diagram-1. Distribution of average annual rainfall (mm) in the four seasons of the North East Region of India w.e.f.2000-2004.
