ANNEXURE - VII

TEACHER'S QUESTIONNAIRE

**Instruction**: Here is a set of questions related to your computer course. We seek these information for research purpose only about to bring some qualitative improvement in the course. What we require is only your honest and sincere response. So, please be utmost truthful in indicating your responses.

Please indicate your response by writing the appropriate number (given against each response) in the box provided against each question.

**School Code**: 

1. Name of school:

Name of the teacher:

Sex: Male - 1, Female - 2

Qualification:

General:

Technical:

2. Years of teaching experience:

1 - 5 years - 1

6 - 10 years - 2

11-15 years - 3

16-20 years - 4

Above 20 years - 5

3. Have you had any in service training having designed to improve your computer instruction? Yes - 1, No - 2
4. Do you have a computer at home? Yes - 1, No - 2

5. If yes, how many hours per week do you spend using a computer at home?
   - Less than 2 hours - 1
   - 2-5 hours - 2
   - 6-10 hours - 3
   - 11-15 hours - 4

6. How many hours per week do you spend using a computer at school?
   - Less than 2 hours - 1
   - 2-5 hours - 2
   - 6-10 hours - 3
   - 11-15 hours - 4

7. How important do you feel computers to be in today's class-room?
   - Extremely Important - 1
   - Very Important - 2
   - Moderately Important - 3
   - Slightly Important - 4
   - Not at all Important - 5

8. Give the most important reason for implementing computers
   (i) It provides the students with an appreciation for computer
   (ii) It is fun
   (iii) It is job requirement
   (iv) It provides preparation for the future
   (v) other (please specify) ____________________
9. Please rank the following needs in order of importance to build up computer education infrastructure in your school:

(Please give No. 1 to the most important need and No. 5 to the least important)

(i) More computers.
(ii) An on site computer resource person to help in planning and instruction.
(iii) A more detailed teachers' guide.
(iv) Improved inservice training.
(v) Greater weekly allotment to teach computer.

10. Do you think that class VI is the right class to start the computer course?

   Yes - 1, No - 2

   (a) If no, what according to you is the proper class to start the course?

11. Who is conducting the course of computer education?

   School – 1, Outside agency – 2

12. Does your school have provision for annual maintenance contract (AMC)?

   Yes – 1, No – 2

13. How many students in a class in general share one computer to work with at the same time?

   Number of students sharing one computer
   2 students – 1
   3 students – 2
   4 students – 3
   More than 4 – 4 (Please specify_________________)
14. What is the time allotted for one practical and one theory session?
   (i) Practical session
       30 min – 1, 40 min – 2,
       45 min – 3, above 45 min – 4.
   (ii) Theory session
       30 min – 1, 40 min – 2,
       45 min – 3, above 45 min – 4.

15. Does your school have library facilities?
    Yes – 1, No – 2
    (i) If yes, do you have computer books in your library?
        Yes – 1, No – 2
    (ii) If yes, the books are available to
         Students only – 1
         Teachers only – 2
         Both teacher and students

16. Do you use your computer laboratory for theory class also?
    Yes – 1, No – 2
    (i) If no, where do you take the theory class.
        In the General class-room – 1
        In a separate room – 2
