Acknowledgements

I feel it as a privilege to convey my gratefulness to my Research Supervisor, Prof. N.Ch. Varadacharyulu, Department of Biochemistry, Sri Krishnadevaraya University, Anantapur for his great concern, stimulating guidance, parental care and valuable suggestions, throughout my course. Without his encouragement and affectionate help, I would not accomplish this research work. I would always be kindful and grateful to him.

My sincere thanks to

♦ The Head of the Department of Biochemistry, Prof. Ch. Suresh Kumar, for giving constant support and encouragement.
♦ Prof. D. Sarala Kumari, Prof. K. Lakshmi Devi, Prof. Ramakrishna Rao (Rtd), Prof. S. Dayanda, for their help and encouragement.
♦ To Prof. K. Venkateswarlu, Prof. B. Rajashekar Reddy, Prof. PBBN. Charyulu, Prof. B. Venkatappa, Prof. R. Ramanjaneyulu, Prof. V. Rangaswamy for their help and support.
♦ To Mrs. Ragini/W/O of Prof. N. Ch. Varadacharyulu and their children for their affectionate treatment during my period.
♦ To Prof. Ramaprasad Rao and his family members and Prof. Sreeramulu and his family members.
♦ My senior research scholars Kavitha, Narendra, Rmrswarn Reddy, Padmavathi, Damodhar Reddy, Harathi, Srilatha, Ramesh, Karuna, Haritha, Srinivas Reddy, Sai Mangala, & Swami for their suggestions and help during my research work.
♦ My research colleagues Hyma, Shameela, Sailaja, sudhakar, Bheemesh, Malliaah, Rajashekar, Chaitanya, Altaf, Babajan, Venkat, Subha Reddy, Jafar, Sreenivas Reddy, Praveen, Mounika and Varalakshmi.
♦ To my beloved friends Karuna, Sailaja, Haritha, Sukanya, Vani, Lavanya and Vijay for their demonstrative cooperation.
♦ Last but not least to my beloved parents, husband and babbi, and to all my family members and well wishers.
