LIST OF FIGURES

2.1 Map of Sasthamkotta lake

3.1.1 Monthly variations of rainfall at Sasthamkotta lake
3.1.2 Monthly variations of air temperature at different stations during the study period
3.1.3 Monthly variations of water temperature at different stations during the study period
3.1.4 Monthly variations of pH at different stations during the study period
3.1.5 Monthly variations of conductivity at different stations during the study period
3.1.6 Monthly variations of transparency at different stations during the study period
3.1.7 Monthly variations of turbidity at different stations during the study period
3.1.8 Monthly variations of hardness at different stations during the study period
3.1.9 Monthly variations of T.S.S at different stations during the study period
3.1.10 Monthly variations of alkalinity at different stations during the study period
3.1.11 Monthly variations of salinity at different stations during the study period
3.1.12 Monthly variations of carbon dioxide at different stations during the study period
3.1.13 Monthly variations of dissolved Oxygen at different stations during the study period
3.1.14 Monthly variations of B.O.D at different stations during the study period
3.1.15 Monthly variations of C.O.D at different stations during the study period
3.1.16 Monthly variations of T.O.C at different stations during the study period
3.1.17 Monthly variations of Nitrite at different stations during the study period
3.1.18 Monthly variations of Nitrate at different stations during the study period
3.1.19 Monthly variations of phosphate at different stations during the study period
3.1.20 Monthly variations of silicate at different stations during the study period
3.1.21 Monthly variations of potassium at different stations during the study period
3.2.1 Spatial and temporal variation of Total coliforms
3.2.2 Spatial and temporal variation of Faecal coliforms
3.2.3 Spatial and temporal variation of E.coli
3.2.4 Spatial and temporal variation of Faecal streptococci
4.1 Spatial distribution of sand, silt and clay at different stations of Sasthamkotta lake
4.2 Spatial and temporal variation of Hydrogen ion concentration of sediment of Sasthamkotta lake
4.3 Spatial and temporal variation of conductivity of sediment of Sasthamkotta lake
4.4 Spatial and temporal variation of organic carbon of sediment of Sasthamkotta lake
4.5 Spatial and temporal variation of total nitrogen of sediment of Sasthamkotta lake
4.6 Spatial and temporal variation of total phosphorus of sediment of Sasthamkotta lake
4.7 Spatial and temporal variation of potassium of sediment of Sasthamkotta lake
5.1.1 Monthly distribution (%) of the groups of phytoplankton at station I
5.1.2 Monthly distribution (%) of the groups of phytoplankton at station II
5.1.3 Monthly distribution (%) of the groups of phytoplankton at station III
5.1.4 Monthly distribution (%) of the groups of phytoplankton at station IV
5.1.5 Monthly distribution (%) of the groups of phytoplankton at station V
5.2.1 Spatial and temporal variation of gross primary productivity at different stations
5.2.2 Spatial and temporal variation of net primary productivity at different stations
5.2.3 Spatial and temporal variation of chlorophyll ‘a’ at different stations
6.1 Temporal variation of fish species using all nets.
6.2 Seasonal gross catch (No./haul) and total species collected from Sasthamkotta lake using all nets
6.3 Number of species collected from different stations by encircling net
6.4 Total fish catch (No./haul) collected from different stations by encircling net
6.5 Seasonal catch (No./haul) and species collected by encircling net
6.6 Abundance and total species collected from Sasthamkotta lake using different nets
6.7 Number of species collected by different types of gill nets
6.8 Total fish catch (No./haul) collected by different types of gill nets
6.9 Seasonal catch (No./haul) and species collected by gill net
6.10 Seasonal catch (No./haul) and species collected by cast net
7.1 Spatial and seasonal variation of Shannon diversity index of fish fauna at Sasthamkotta lake.
7.2 Spatial and seasonal variation in Richness index of fish fauna.
7.3 Spatial and seasonal variation in Dominance index of fish fauna.
7.4 Spatial and seasonal variation in Evenness index of fish fauna.
7.5a Different monthly fish diversity indices for Sasthamkotta lake.
7.5b Different seasonal fish diversity indices for Sasthamkotta lake.
