ACKNOWLEDGEMENT

I express my deep sense of gratitude and indebtedness to my guide Dr. K.G. Padmakumar, Associate Professor, Kerala Agricultural University, Regional Agricultural Research Station, Kumarakom for his invaluable guidance, inspiring suggestions, constant encouragement and above all the kind understanding and whole hearted co-operation during the course of the investigation and preparation of the thesis.

I extend my sincere thanks to Dr. A. Gopalakrishnan, Senior Scientist, NBFRG, for his valuable suggestions and he was kind enough to go through the thesis and suggest improvements.

I am also grateful to Dr. P. J. Joy, Associate Director (Rtd.), RARS, Sri. V. S. Basheer, Scientist, NBFRG and Prof. (Dr.). N. K. Balasubramaniam, Dept. of Aquatic Biology and Fisheries for their constant encouragements.

I wish to express my sincere gratitude to Dr. A. V. Mathew, Associate Director, RARS and Dr. K. A. Inasi, Dr. N. K. Sasidharan, Dr. Anuradha Krishnan and all other Scientists of the Regional Agricultural Research Station, Kumarakom for rendering facilities and assistance for the completion of my work.

I am deeply indebted to Dr. Jyothi V. Mallia, my friend, whose constant support helped me a lot in the preparation of this thesis.

My colleagues and friends deserve a special mention here for their immense help received during various stages which enabled me to complete the work with much confidence. I gratefully acknowledge my colleagues Mrs. Sreerekha, P.S. and Nitta Joseph, who were with me in the National Agricultural Technology Project and helped me a lot in the completion of the project work.
I wish to thank all my friends who have contributed much towards the completion of my research work. My heartfelt gratitude remains with Drs. Vandana Venugopal, Aloysius M. Sebastian, Sri. Binu John Sam, Antony Kuriakose, P.S. Manu, Mrs. Anitakumary Y.K, Jaishnii, Shiny, Smitha, Beena and Roychan for their many acts of kindness and help.

I would like to record my deep appreciation of the valuable helps, moral support and encouragement given by Smt. P.S. Ratnam at this time. I express my sincere gratitude to the Warden, N.S.S. Working Women’s Hostel, Kottayam for her constant support throughout the period of my study.

A number of people have assisted me in various ways in the completion of this work. I am deeply indebted to all of them particularly each and every staff of the Regional Agricultural Research Station, Kumarakom.

I gratefully acknowledge the financial support extended by the Indian Council of Agricultural Science under the National Agricultural Technology Project.

Finally, though last but not the least, I owe a special word of thanks to my dear father, mother and my brother, for their prayers, blessings and affection, who were a constant source of inspiration and always with me as a great support and motivation which made me realize the dream.

Above all, I bow my head before the God Almighty for the never ending blessings showered on me to carry out the work successfully.

Bindu L.
