ACKNOWLEDGEMENT

In the course of writing this thesis as fulfillment of the requirements for the award of the Degree of Ph.D., I am indebted to those who have helped me tremendously to complete this work.

My sincere thanks to Shri Vinod Tibrewala Sir for establishing this Jagdish Prasad Jabharmal Tibrewala University at Rajasthan to encourage students like me to study further and do research.

I am thankful to my research guide Dr. (PRIN.) N.G.Meshram without whom this work would not have taken shape. I am truly thankful to him, for his inspiration and co-operation to take up such a study, persuade me to continue with the work. He provided me most effective guidance scholarly subject knowledge efficiently.

Further, I would like to thank my institute Shri JJT University, Rajasthan Seva Sangh, Mumbai. Without its co-operation, I would not have ventured into such a study.

I am extremely thankful to my Principal Dr. (Mrs.) S.V.Sant, Shri B.V. College for her constant encouragement and moral support. The library facilities and computer facilities of the college have been indispensable.

I am indebted to Mrs. Urmila Acharya, whose, constant support and inspiration only could make this happen. I am also thankful to Dr. Navnita Meghani, K.G. Mittal College, Dr. Jayshree F. Mehta and Mr. Forom Mehta, senior executive, Mercuri Goldmann India ltd.

I owe my loving thanks to My Parents who have lost a lot due to my research studies. Without their encouragement and understanding, it would have been impossible for me to finish this work. My special gratitude is due to my brother and my sisters for their loving support.

Perhaps, I forgot someone… so, just in case: thank you!
