Acknowledgements

First and foremost, I owe my deep debt of heartfelt gratitude to my teacher and research supervisor Prof. K. Hussain Reddy, Department of Chemistry, for giving me an opportunity to work under his guidance, for his support, and encouragement throughout my study and he has also guided my personal development and maturation as an independent, confident, and strong researcher, something I never could have learned from a book. I am extremely lucky to work with such a high profiled person. His guidance was the next best thing to knowledge, which I will cherish throughout my life. He is truly a source of inspiration to pursue a research-oriented career.

I wish to express my sincere thanks to Prof. V. Suryanarayana Rao (Chairman, BOS) and all the staff members of our department, S.K University for their cooperation throughout the work.

My special thanks to Dr. V.V.Narayana Reddy, Head of the department, IICT for giving me this opportunity to get better qualified and extending co-operation during the course of my research work.

I am very much grateful to my seniors Dr. B. Venkateswara Reddy, Dr. K. Mallikarjuna Reddy, Dr. M. Dastagiri Reddy for their continuous moral support during the tenure of my research work.

My special thanks to my research friends M. Useni Reddy, P. Haribabu, Dr. D. Nagarjuna Reddy, K. Sreenivasaulu and Dr. C. Lakshmi Narayana Reddy Department of chemistry.

Finally, I thank and remember each and every person who helped me directly and indirectly in my career.

I owe my deep sense of gratitude and heartfelt thanks to my beloved parents, Smt. M. Balathimmakka and Sri. M. Pedda Eswara Reddy, who laid the foundation of my academic pursuit right from my childhood. Finally, I would like to express special thanks to my wife M. Chandrakala. She helped me to concentrate on completing this research work and supported mentally during the course of this work.
