LIST OF FIGURES

Figure 1. Monthly variation of hydrographic parameters at station I
Figure 2. Monthly variation of nutrients at station I
Figure 3. Monthly variation of hydrographic parameters at station II
Figure 4. Monthly variation of nutrients at station II
Figure 5. Monthly variation of hydrographic parameters at station III
Figure 6. Monthly variation of nutrients at station III
Figure 7. Monthly variation of hydrographic parameters at station IV
Figure 8. Monthly variation of nutrients at station IV
Figure 9. Monthly variation of hydrographic parameters at station V
Figure 10. Monthly variation of nutrients at station V
Figure 11. Monthly variation of hydrographic parameters at station VI
Figure 12. Monthly variation of nutrients at station VI
Figure 13. Monthly variation of hydrographic parameters at station VII
Figure 14. Monthly variation of nutrients at station VII
Figure 15. Monthly variation of hydrographic parameters at station VIII
Figure 16. Monthly variation of nutrients at station VIII
Figure 17. Percentage composition of zooplankton at station I to VIII
Figure 18. Seasonal variation of zooplankton at station I to VII
Figure 19. Percentage composition of phytoplankton at station I to VIII
Figure 20. Seasonal abundance of phytoplankton at station I to VII
Figure 21. Seasonal variation of phytoplankton at station I to VII
Figure 22. Relative percentage composition of fishes in Kuttanad

Figure 23. Relative percentage composition of crustaceans in Kuttanad

Figure 24. Distribution of major fishes in Kuttanad (a, b & c)

Figure 25. Distribution of major crustaceans in Kuttanad
