List of Tables

3.1 Season-wise and District-wise Actual Rainfall in Assam (5 years, 1990 - 91 to 1994 - 95).

3.2 Total Population, density of population, literacy rate etc. during 2001 in Assam and India.

3.3 State income of Assam at current prices from 1993 - 94 to 2001 - 2002.

3.4 Per Capita income of Assam and India at constant (1993 - 94) prices.

3.6 Area under principal crops in Assam (1951 - 52 to 1999 - 2000).

3.7 Cropping Intensity of Assam in some selected years (1964 - 65 to 1999 - 2000).

3.8 HYV area under Paddy in Assam (1980 - 81 to 1999 - 2000).

3.10 Irrigation Potential created in Assam up to 1999 – 2000.

3.11 Agricultural Implements in Assam.

3.13 Levels of productivity of some major crops in Assam.

4.1 Percentage area under different crops in total cropped area of Assam.

4.2 Percentage area of Rice, Wheat, Maize and pulses in total food grain area.

4.3 Percentage area of different rice in total rice area of Assam.

4.4.1 Percentage area under total rice in different districts of Assam in total rice area of Assam.

4.4.2 District wise Percentage area under different rice.
4.5.1 Percentage area of different crops in total cropped area of Goalpara district.

4.5.2 Percentage area of different crops in total cropped area of Kamrup district.

4.5.3 Percentage area of different crops in total cropped area of Darrang district.

4.5.4 Percentage area of different crops in total cropped area of Nagaon district.

4.5.5 Percentage area of different crops in total cropped area of Sibsagar district.

4.5.6 Percentage area of different crops in total cropped area of Lakhimpur district.

4.5.7 Percentage area of different crops in total cropped area of Dibrugarh district.

4.5.8 Percentage area of different crops in total cropped area of Cachar district.
4.5.9 Percentage area of different crops in total cropped area of Karbi Anglong district.

4.5.10 Percentage area of different crops in total cropped area of N.C. Hill district.

4.6 District wise Crop Concentration and Crop Diversification Index.

4.7 Combination of crop grown in different districts.

4.8 Cropping Intensity in Assam in some selected years.

4.9 State wise index of cropping intensity.

4.10 District wise intensity of cropping in Assam.

5.1 District Wise Compound Growth Rate in Area, Production and Productivity of Rice during Pre Green Revolution Post Green Revolution and entire period under study.

5.2 Sub period wise Compound Growth Rate in Area, Production, productivity of Rice in different districts.
5.3 District Wise Compound Growth Rate in Area, Production and Productivity of Cereals during Pre Green Revolution and Post Green Revolution Period.

5.4 Sub Period Wise Compound Growth Rate in Area, Production and Productivity of Cereals in different districts of Assam.

5.5 District Wise Compound Growth Rate in Area, Production and Productivity of Pulses during Pre Green Revolution and Post Green Revolution Period.

5.6 Sub Period Wise Compound Growth Rate in Area, Production and Productivity of Pulses in different districts of Assam.

5.7 District Wise Compound Growth Rate in Area, Production and Productivity of Food Grains during Pre Green Revolution and Post Green Revolution and entire period under study.

5.8 District Wise Compound Growth Rate in Area, Production and Productivity of Food Grains in Assam (sub period wise).
6.1.1 District wise Coefficient of Variations of Area, Production and Productivity of Rice in Assam.

6.1.2 District wise Coefficient of Variations of Area, Production and Productivity of Cereals in Assam.

6.1.3 District wise Coefficient of Variations of Area, Production and Productivity of Pulses in Assam.

6.1.4 District wise Coefficient of Variations of Area, Production and Productivity of Total Food Grains in Assam.

6.1.5 District wise Pattern of variability of Total Rice, Total Cereals and Total Food Grains in Assam 1951 - 52 to 1966 - 67.

6.2.1 Sources of Variance in Rice Production.

6.2.2 Sources of Variance in Cereals Production.

6.2.3 Sources of Variance in Pulses Production.

6.2.4 Sources of Variance in Total Food Grains Production.

7.1 Plan Expenditure on Agriculture in Five Year Plans (Assam).

7.2 District-wise Flood Prone Areas in Assam (Lakh hectares).
7.3 Flood Damage in Assam.

7.4 State wise Position of Irrigation Potential Created and utilized.

7.5 Irrigation Potential Created in Assam up to 1999-2000.

7.6 Fertilizer Consumption in Assam.

7.7 State wise per hectare Consumption of Fertilizer during 1999-2000.

7.8 HYV area under paddy in Assam.

7.9 State wise total credit to agriculture by scheduled commercial banks.
