ACKNOWLEDGEMENTS

At the very outset I owe my deep sense of gratitude and sincere thanks to Dr. Narendra Nath Sharma, retired Professor of the Department of Library and Information Science, Gauhati University for his worthy supervision, guidance and valuable suggestions towards completion of this study. This piece of work could not have been completed without deep involvement and tremendous inspiration he has extended to me.

I am indebted to Dr. N. Lahkar for his valuable suggestions and kind help. My thanks are also due to all faculty members of the Department of Library and Information Science, Gauhati University for extending their kind co-operation to carry out this work.

I also extend my thanks to the Librarians and other staff of IIE, Guwahati, IIT, Guwahati, North Eastern Hill University, Shillong and also Gauhati University for their kind help and co-operation. I express my deep gratitude to the Librarians and Teachers of all the colleges who were gracious enough in supplying me with the required data. I am also very much grateful to all the Students who were very much helpful in supplying data whenever required.

I deem it a privilege to convey my heartfelt gratitude to my parents for their kind help and inspiration in this regard. I also thank my husband and all my family members for bearing with me during the time of the preparation of this work. I am also very much grateful to Mr. Gobinda Dutta for his kind help and co-operation. I extend my thanks to my colleagues, friends for their kind co-operation. I express my gratitude to the staff of Sungraphics, Silchar and Mr. Sandip Choudhury who helped me to give the thesis its final shape.
