ACKNOWLEDGEMENT

Research on "Social Welfare Administration in Mizoram" (1972 - 1990) has been undertaken under the kind supervision and guidance of Dr. V.V. Rao, Prof. Emeritus, Gauhati University. Inspite of his age and busy scheduled of life in the Universities of Gauhati and NEHU Shillong, he continues to push on me to make progress in the various stages of research work. This research work would not have been completed without his kind help. I, therefore, express my most sincere and heartfelt gratitude to him.

I am thankful to the Government of Mizoram for granting me Research Fellowship for carrying out the research work. I also express my heartfelt thanks to all persons from whom I have gained knowledgeable informations in their individual and official capacity.

Last but not the least, I express my sincere thanks to my wife Lalthanzami and Miss. Lalbiaksiami her niece for their help in all possible ways throughout the work. Also my thanks are due to my daughters Jennifer Lalbiakdiki and Jasmine Lalremmawii for bearing me out during the course of work and whatever little helps they could rendered to me.
Above all, I thank the Almighty God for all things that have been bestowed on me. Neither words can express nor deeds can return all the blessings I received from Him.
