9.1. LIST OF PRESENTATIONS
The research work was presented at two International conferences. The details of the conferences are as follows -

2. Addepalli V., Ghone S., Mohanraj K., Gatne D., Design and synthesis of VEGFR-2 ligands as tumor angiogenesis inhibitors, at ‘Frontiers in Medicinal Chemistry’, organized by German Pharma Society and University of Munster, Department of Medicinal Chemistry, Germany, March 14-17, 2010

9.2. LIST OF PUBLICATIONS
The research work of the project has been communicated to few journals. The details of the publications communicated are as follows –

1. Dipti Gatne and Veeranjaneyulu Addepalli, Natural molecules as angiogenesis inhibitors – A Review, Pharmacological Reviews (Communicated)

9.3. PROJECT GRANT, TRAVEL GRANT & SCHOLARSHIP
1. The project received financial grant from Department of Biotechnology (DBT), Govt. of India.

2. Department of Biotechnology (DBT), Govt. of India sanctioned partial travel grant (100% airfare) to attend and present poster at conference, ‘Frontiers in Medicinal
Chemistry 2010’ during March 14-17, 2010 at Munster, Germany organized by German Pharma Society and Department of Medicinal Chem., University of Munster, Germany

3. School of Pharmacy & Technology Management, SVKM’s NMIMS provided travel grant to attend and present poster at conference, ‘Frontiers in Medicinal Chemistry 2010’ during March 14-17, 2010 at Munster, Germany organized by German Pharma Society and Department of Medicinal Chem., University of Munster, Germany

4. German Chemical Society (GDCh) provided scholarship for attending the conference, ‘Frontiers in Medicinal Chemistry 2010’ during March 14-17, 2010 at Munster, Germany organized by German Pharma Society and Department of Medicinal Chem., University of Munster, Germany
