ACKNOWLEDGEMENT

I am deeply beholden to my research supervisor, guru, and friend Dr. M K Maru Sir, Professor in P. D. Malaviya College of Commerce – Rajkot, under whose guidance and supervision this study has been carried out. In fact, no words are filling to express my sense of sincere and deep gratitude and indebtedness to him for large heartedness as he permitted me to work under his supervision. He encouraged and inspired me. His positive attitude and kind co-operation have helped me in completing this study.

I am also thankful to Dr. Daxaben Gohil, Professor and Head, and Dr. Shailesh J. Parmar, Associate Professor, Department of Commerce and Business Administration, Saurashtra University, Rajkot, for inspiring and providing valuable guidance based on their academic knowledge and methodology.

Acknowledgement of thanks are due to the management of Gujarat State Financial Corporation, who have kind enough to provide their deeply information on its website and published Annual Report to me on my request.

My close friends, Dr. H. V. Senjaliya Kavi Botadkar College - Botad, Dr. M. V. Dave Professor in P. D. Malaviya College of Commerce, Rajkot, and V. T. Vatukiya, Teacher in Pratap High School – Vansada, who have helped me extremely. So I thank them very much.
I am thankful to my little friends Sanjay Bandhiya, Bhavin Hahiya and Paresh Katariya who provided me co-operation in the accomplishment of this work.

I am sure that it is because of the blessing and encouragement of my Father (Jivabhai Baldaniya) and my Mother (Kamuben Baldaniya) and other my family members that the work could see the light of the day.

In the end, I very thank to Goddess Hola, who helped me a lot to complete my research work successfully. Without his blessing I could not have completed my research work.
