It gives me a great pleasure and a sense of satisfaction in recognizing all the people who have always been with me during my entire course of Ph.D. work. I am heartily grateful to my Ph.D. supervisor, Prof. D.G. Kuberkar, for planting in me the seeds of research and developing in me the vision to pursue the research in physics. He has always been like a candle which enlightened my mind during the time of darkest moments not only during the Ph.D. work but also in every walk of life. He is a constant source of knowledge and new ideas in the frontiers of the research world. It is due to his hard work I am capable to express my knowledge in the form of Ph.D. thesis.

I am thankful to Dr. P. Chaddah and Prof. Ajay Gupta, UGC - DAE CSR, Indore for providing me an opportunity to work at their Indore center during my research. This thesis would not have been possible without an invaluable support from Dr. V. Ganesan, UGC - DAE CSR, Indore. I am indebted to him for extending the AFM and PPMS facilities. I express my thankfulness to Dr. D.M. Phase and Dr. R.J. Choudhary, UGC - DAE CSR, Indore for their constant support and fruitful discussions during the course of my Ph.D. work. Dr. Alok Banerjee, UGC - DAE CSR, Indore is also thankfully acknowledged for his guidance and discussion during magnetization measurements. I express my sincere thanks to Prof. A.K. Nigam, TIFR, Mumbai for providing me the experimental facilities at TIFR. I also acknowledge the help extended by Mr. Mohan Gangarade and Mr. Vinay Ahire from UGC - DAE CSR, Indore and Mr. Devendra Buddhikot from TIFR, Mumbai. I thankfully acknowledge the help from Ms. Swati Pandya, UGC - DAE CSR, Indore and Mr. Mandar Shirolkar, University of Pune, Pune.

I express my thankfulness to Prof. K.N. Iyer, Head, Department of Physics, for providing the departmental facilities. I am sincerely obliged to Prof. H.H. Joshi, who inspired and encouraged me during my work. I would like to express my gratitude towards Dr. G.J. Baldha for providing me a helping hand in solving research and personal problems faced during the Ph.D. work. I would like to thank all the teaching and non-teaching members of the physics department for sharing interest in my work.

My sincere thanks to seniors Dr. N.A. Shah, Dr. C.M. Thaker, Dr. K.R. Mavani, Dr. D.S. Rana, Dr. D.D. Pandya, Dr. J.H. Markna and Mr. B.R. Kataria for their
encouragement and help. I express my deep sense of gratitude for Dr. Sudhindra Rayaprol, UGC - DAE CSR, Mumbai, for supporting and motivating me to become a good researcher. I am also thankful to my senior friends Dr. Rohini N. Parmar and Dr. Prashant S. Vachhani for their friendly advice. It is very special moment for me to recognize Ms. Rujuta R. Doshi and her family for their memorable support and help for standing behind me. I am thankful to my juniors Ms. Meera J. Modi, Ms. Uma D. Khachar, Ms. Megha V. Vagadia, Mr. Ashish B. Ravalia and Ms. Jalshikhaba Rathod for their friendly help and support. Mr. R.A. Desai, Mr. V.A. Sodha, Mr. M.J. Meghpara, Mr. M.S. Suthar, Mr. U.P. Vyas and Mr. R.M. Vaghela are thankfully acknowledged for their valuable help and support during the course of this work.

It is a time to remember my dearest friends Mr. Ketan Thakrar, Mr. Sanjay Bhankhodiya, Mr. Gautam Bhatt, Mr. Miral Maradia, Mr. Hiren Bambhaniya, Mr. Sandip Bhatt, Mr. Navin Modasiya, Mr. Kandarp Upadhyay and their families for moral support, hospitality and conducive environment during my entire career.

I owe my deepest gratitude to Mrs. Preeti D. Kuberkar and Ms. Madhura D. Kuberkar for nice hospitality and homely treatment during the course of Ph.D. work. Mrs. Preeti D. Kuberkar is specially appreciated for her kind nature as a mother.

It is a great moment to remember my family for their unconditional and valuable efforts for my career. My beloved parents Mr. Shamjibhai B. Solanki and Mrs. Manjulaben S. Solanki are acknowledged from the bottom of my heart without who I would not have been to this stage. Their love and affection has been a source of motivation and shielding for me. I am obliged to my dearest sister Mrs. Geeta K. Simariya who has sacrificed in many ways for my entire career. I acknowledge my brother in law Mr. Kalpesh B. Simariya for his moral support. Thanks to my nephew baby Krisha and Dirgha who are my source of motivation all the time. My entire academic career is dedicated to my grandfather and grandmother Mr. Babubhai M. Parmar and Mrs. Deewaliben B. Parmar who brought me to this stage. Finally, I would like to express deep sense of gratitude to all my teachers who have motivated me at different stages of my career.
