I express my gratitude to all of them, especially to Mrs.Julie, Librarian, St.Teresa’s college, Kochi.

I express my sincere gratitude to Mr.Kumar Kini.K, State Resource Person (English) and Principal (Retd.), Govt.TTI, Kollam for taking much effort in final proof reading of the theses.

With deep sense of gratitude I remember the Proprietor and staff of Swathy Computers, Kollam for having helped me in the preparation of the manuscript.

My brothers have been always encouraging me with their unbounded help and sincere support during my research work. I am very much thankful to them.

I can never forget the encouragement, co-operation and constant support given to me by my in-laws through out the course of my research work. I express my gratitude to them with love and affection.

I acknowledge with love, affection and thanks for the full and sincere co-operation and support given to me by my mother at all stages of the endeavour.
My husband has been a source of perpetual encouragement and bounteous support throughout my doctoral work. I am gratefully indebted to him. Without his support I could never have done this doctoral work.

My children had to put up with a lot of sufferings and loneliness during my research work. No words can express my indebtedness to my kids.

My relatives, friends and many others were very much helpful in completing my research work. I consider it with gratitude as a tremendous achievement.

Above all, I could not have done this research work without the bounteous blessings and grace from God Almighty. I always remember him with gratitude for the strength of will and readiness extended to me to undertake this strenuous and hard task.
