ACKNOWLEDGEMENTS

I wish to express my deep sense of gratitude to my teacher and Research Supervisor Prof. C. Subba Rami Reddy, M.Sc., Ph.D., C.C.P., F.S.S (London), Department of Statistics, for accepting me as his student and suggesting a novel and fascinating problem for execution. Despite of his very busy schedule, he has spread sufficient time and gone through this thesis with monumental patience. His through discussions and critical analysis are responsible for the present form of my work. He has been the sole inspiration for me. I considered it as good fortune to work under him. It is only to felt and experienced. I am deeply moved by him paternal affection, personal care and constant encouragement. These mere words won’t suffice for expressing my gratitude for what all I learnt from him. I also thank Mrs. Y. Uma Rami Reddy for her maternal affection, encouragement and blessings.

I express my thanks to Prof. P. Balasiddamuni, Professor, Dept. of Statistics, Sri Venkateswara University, Tirupati for his help and moral support.

I express my thanks to Prof. R. Abbaiah, Chairman, Board of Studies (Statistics), Sri Venkateswara University, Tirupati for his help and moral support.

I express my thanks to Prof. P. Rajasekhara Reddy, Head, Dept. of Statistics, Sri Venkateswara University, Tirupati for his help and moral support.

I express my thanks to Prof. K. V. S. Sarma, Prof. M. Venkatramanaiah, Prof. M. Subbarayudu, Dr. B. Sarojamma, and Dr. P. Tirupati Rao for their kind co-operation and spiritual support.

I am very much thankful to my friend Dr. R. Vishnu Vardhan, Asst. Professor, Pondicherry Central University for his help in collecting literature in terms of articles and books throughout my research.
I am very much thankful to my senior research scholars and teachers Dr.S.Y.Babu, Dr.M.Saravana, Dr.K.Ramesh Reddy and Dr.B.Munaswamy who were supported directly and indirectly to materialize this thesis.

I am thankful to my co-research Scholars .K.N.Sreenivasulu, B.H.Mallikarjuna Reddy, Lakshmi, Aswini, N.Suresh Kumar, M.Venkateswaran, A. Ramanjineyulu and also who were supported directly and indirectly to materialize this thesis.

And above all, I wish to express my personal sentiments, love and affection to my beloved parents T.Padmavathamma, T.Sankarappa and my beloved brothers and family members without whose blessings, constant advice, moral support and endearing help, this venture would never have been materialized.

Finally, I am thankful to all my friends, well-wishers and relatives.
