Declaration

I do hereby declare that this thesis entitled "Some Extensions of Dirichlet Models and Their Applications" is a bonafide record of research work carried out by me during the course of research and that the thesis has not previously formed the basis for the award of any degree, diploma, associateship, fellowship or other similar title or recognition. I also declare that to the best of my knowledge and belief it contains no materials previously published by any other person, except where due references are made in the text of the thesis.
