ACKNOWLEDGEMENT

I wish to express my profound gratitude to my supervisor Prof. K.L. Shrivastava, Head and Chairperson of the Department of Geology, J.N.V. University, Jodhpur, who with his strong dedication to the work has throughout been an incessant source of inspiration during the course of week and preparation of manuscript. Indeed, the thesis is the consequence of his regular encouragement, guidance and useful discussions.

I am deeply grateful to my other teachers Prof. M.S. Sisodia, Prof. S.C. Mathur, Dr. S.K. Trivedi and Dr. (Mrs.) Beena Tripathi for their most inspiring attitude and extending help in very many ways since the day of approval of my research proposal in the Department council.

I am thankful to Director, Wadia Institute of Himalayan Geology who has permitted me to work in XRF Lab with Dr. S.K. Saini and in ICP-MS Lab with Dr. P.P. Khanna, Scientist in the same Institute. During the work I have also received help from Dr. Chandresekhar and Dr. Rawat. I want to extend my sincere thanks to all of them.

In my heartiest opinion few persons deserves a special thanks as without their assistance and help, this thesis would not have been possible. I am thankful to Mr. Ishwar Singh and Mr. Birma Ram Panwar of the Department of Geology, for help at official level, Mr. Hem Singh Rathore for preparation of thin sections and Mr. M.S. Verma of Raksha Prayogshala, Jodhpur for drawings.
A special thanks goes to Mr. Jugal Kishore Mathur (Father in law) and Mrs. Chitra Mathur (Mother in law) for their constant encouragement. Mr. Ashish Mahtur (Husband) for having confidence in me. Whenever I doubted myself, they always brought out good ideas and encouragement in me. Mrs. Deepali (Sister in law) and her husband Mr. Naveen Mathur also deserve lots of thanks for their support. A very special thanks goes to my little Son Arsh Mathur to whom I could not made available to myself, every now and then, during the course of my research work.

This thesis is an outcome and blessings of my parents, Mr. Dinesh Lal Mathur and Mrs. Uma Mathur, my Sisters Mrs. Anuradha and Mrs. Anshu Mathur, My Brother in law Mr. Shailendra and Mr. Anurag Mathur and Mr. Shailesh (Brother) and Mrs. Pratibha (sister in law).

I feel fortunate in receiving a lot of help from my senior researchers of Economic Mineral Deposit Research Lab, Prof. S.K. Ojha, Dr. Virendra Gaur, Dr. Sameer Nawal, Dr. Vijay Gaur, Dr. Narendra Singh, Dr. Jamini Swadia, Dr. Yasmin Sayyed, Dr. Veena Chaudhary and Dr. Chandra Prakash Dadhich and assistance by Ms. Mamta Chauhan, Ms. Tina Prajapat, Mr. Prakhar Kumar, Mr. Vijendra Chauhan, Ms. Seema Sharma, Mr. Prem Singh Sankhla and Mr. Rajneesh V. Khilani. The help and assistance is gratefully acknowledged.
