ACKNOWLEDGEMENTS

With ardent prayers I bow before God Almighty whose infinite grace helped me complete my work.

My undying gratitude for Dr. V. Nithyanantha Bhat cannot be compressed into the formal diction of acknowledgement. But for his infinite patience, invaluable guidance and meticulous scrutiny in editing this thesis, I am sure this dissertation would not have attained its present form. I take this opportunity to thank Mrs. Tara Bhat for being a pleasant source of encouragement.

I sincerely thank all my colleagues and friends who stood by me in times of need – particularly Mr. Soman Pillai, Indu K. S., Lalimol S., Mini R. Nair, Jayasree N., M. R. Unni and other members of my college, and Sree S. V., Dr. Rosaline P. J., Dr. Mariam Kuruvilla Joseph and Reshmi Punnoose who lent me immense moral support and help.

I extend my sincere thanks to Dr. Winny Varghese, Principal, M.A. College, Kothamangalam, Dr. D. Radhakrishnan Nair, former director of M.G. University Research Centre in English at M.A. College, Kothamangalam, and Mr. Paul Mathew, the
present Head of the Department of English, for being supportive and encouraging, and facilitating the research at their esteemed institution.

Thanks are extended to the U.G.C. for granting me fellowship under the Faculty Improvement Programme.

I express my very special thanks to Dr. Sandhya P. Pai, my friend and confidante without whose help and support I couldn’t have completed this long cherished project. Let me extend my warm regards to Mr. Dinesh Shenoy, Sandhya’s husband, Master Manjunath her son and most of all to Mrs. Shakuntala Pai, her mother, for their supportive gestures.

I also remember with gratitude, the personal warmth extended to me by Ms. Nadine Gordimer, who responded to my letter and took great pains to send me a personal copy of her book ‘A
Sport of Nature’, which was unavailable at that time. I want to register my appreciation of her concern for the AIDS patients which was manifest in her gesture of asking me to remit the cost of the book towards their care. I am eternally grateful to my own family members – my husband, my two daughters, my son-in-law, and my grand daughter – for their encouragement, support and forbearance with me.

Kothamangalam, Devaki Antharjanam S.
