ACKNOWLEDGEMENT

At the very outset I would like to express my gratitude to Prof. C. T. Pawar, Former Professor and Head of Geography Department, Shivaji University, Kolhapur for guiding me and giving encouragement and support which helped me a lot to complete this Research work.

I would like to express my sincere gratitude to Prof and Head, Dr. K.C. Ramotra, Dept of Geography, Shivaji University, Kolhapur for his constructive guidance and benevolent help in the completion of this research.

I am indebted to Poonam Tiwari and Anil Kumar (Sr. Scientist, IIRS, Dehradun) for motivating and guiding me to learn the fundamentals of Remote sensing and GIS during the training period at IIRS and especially for enabling me to acquire enough skills in Digital Image Processing. I am much indebted to Prof. A. S. Jadhav, Dept. of Geography, Mumbai University, Mumbai, who enlightened me to study Remote sensing and GIS. The constant discussions with him have updated my knowledge and have helped me in my research work.

I am also thankful to Dr. J. B. Sapkale, Dr. D. H. Pawar, Dr. S.K. Vadiyar, Dr. D. S. Shinde, Dr. M. B. Potdar and all members of the Geography Department for supporting during the course of my study. It would not have been possible to successfully complete this research work without their kind guidance and support.

I am also grateful to Mr. Gadave (Chief Executive Engineer, KIC., Kolhapur.), Mr. Zende (Executive officer, ZP, Kolhapur), Mr. Dubal (Agricultural officer, Kagal) and Mr. Lad (Jr. Engineer, KIC., Kolhapur) for their kind cooperation and support.

My thanks are also due to Mr. A.V. Pore and Mr. Y. S. Mote (Project fellow, Department of Geography) for there kind help.

I am very much grateful to University Grants Commission, New Delhi for providing financial support to purchase imageries and software.

I dedicate my research work to my parents, my wife and child for encouraging me to take up this study. Without their blessing and heartily support it would not have been possible to complete this work.

Department of Geography, Shivaji University, Kolhapur.

Sachin S. Panhalkar
