"Gratitude makes sense of our past, brings peace for today, and creates a vision for tomorrow"

- Melody Beattie

My dream of pursuing Ph. D would never be fulfilled without the blessings of my guide Dr. R. S. Gaud. The spirit of dedication, hardwork and honesty is what I acquired from him during this venture. With teaching responsibilities it was very difficult to complete the project, but he made it possible! My heartfelt immense gratitude for his inspirations.

My co-guide Dr. Anil Thaker has been a mentor throughout my project. His valuable inputs on formulation and analysis were remarkable. His innovative thoughts made me think and learn more.

Dr. P.G. Shrotriya for his critical evaluations, suggestions and guidance provided on this research work made me bring out the best of my work.

Dr. Bala Prabhakar for her constant support and motivation as a Head, Department of Pharmaceutics.

Dr. V. Addepalli, Dr. Ganga Srinivasan, Dr. Varsha Pradhan, Dr. Rupa Mazumdar, Dr. Krishnapriya, Dr. Kala Kulkarni, Dr. Nancy Pandita, Dr. Avjit Mazumdar and Dr. Vaishali Londhe for their valuable guidance and timely support during the research.

Special Thanks to Dr. Meena Chintamaneni, for her co-operation during my animal study and also for her valuable support and knowledge shared throughout the project.

Dr. Swati Mittal for sharing her knowledge, be it biopharmaceutics or formulations.

I was fortunate to have the guidance from Dr. Manek and Dr. Vishwanath during their venture in SPTM. Their critical observations and stimulating discussions gave new insights to my work.

Mr. Ashwin Parikh for his constant inspirations and motivations. I was fortunate enough to have him as my mentor throughout this venture.
Acknowledgement

Heartfelt gratitude to Hetero drugs for providing the API and Zhaveri Pharmaceuticals, Lubrizol, Colorcon for providing excipients as gift sample for my research.

Mr. Sengupta and his team at Unichem Labs for permitting me to use their stability chambers and guiding me with regulatory requirements. Bandra X-ray clinic team for helping me perform my in-vivo X-ray studies in rabbits in their busy schedules.

Dr. Yogesh, Mr. Garfield, Mrs. Poornima and team Perkin Elmer for all my preformulation studies using DSC and ATR-FTIR. Mr. Nilesh from TIFR for his valuable time for XRD studies. Mrs. Shilpa from IITB for her support provided during SEM studies. Dr. Jadhav and team for their guidance provided on kinetic profile.

Sincere thanks to Mr. Anand Mahajan, Mr. Prasad Tandale and Mr. Lokesh Bhatt for rendering their valuable time and supporting me in my research work.

Mrs. Meera, Mr. Shailesh, Mr. Indrajeet without whom the animal study would not be possible. Mr. Raut, Mrs. Mansi and Mrs. Geeta Pai for their support provided during lab works. I duly acknowledge the non-teaching staff, administrative staff, lab assistants, lab attendants of SPTM (special thanks to Mama and Rajesh) along with security personnel who supported me during my late working hours.

I wish to thank SVKM’s NMIMS for the infrastructure provided in carrying out my research work. Librarian and her team for their support and co-operation throughout the project.

All my colleagues especially Kalyani, Ginpreet, Deepali, Saraswathy, Archana, Pravin Shende, Santhosh Yele and Yogesh Kulkarni for their support and timely help.

My friends Sarigama, Saroja, Jaydev, Amol, Amit, Rachna, Merlie, Kevin, Chetan and Sony for their timely support. Mansi aunty and Late. Dr. Wagle for their care and love.

Ashish Shah, my student who would always stand by me to help in the laboratory. I thank my dear student team Divyen, Jaimin, Snehal, Chirag, Suraj, Ankit, Chetan, Dolita, Prakruti and Khushal for their contribution in my research.
Acknowledgement

Vandana, Divya and Sarika for their everlasting motivation and support. Words of gratitude for shaping my thesis too. Thanks Gals!

To pursue higher education would never have been possible without the encouragement of my family members - Parents, Parents in- law, Anna, Akka, Bhava and all my relatives. In a very special way I thank my beloved husband Rakesh, who inspired me and always stood beside me whenever I felt low. Words are unexpressable to thank him for his wonderful support and co-operation. Confidence, excellence, fun, strength and generosity are the great gifts given by him. Thanks Rakesh!

Above all I thank the Almighty without whose blessings this project wouldn’t be possible.

Ms. SARRITHA R. BHANDARY
