ACKNOWLEDGEMENTS

There are a few occasions in life when words are so inadequate in expressing feelings. This research work has been completed only because of the support I have enjoyed from several individuals and institutions, to whom I would like to express my sincere gratitude.

I am highly indebted and extremely grateful to my research guide Dr. Humayoon Kabir, S. Associate Professor, Department of Library & Information Science, University of Kerala, Thiruvananthapuram, who has patiently offered his valuable advices and comments at every phase of my research work. Despite his busy pre-occupations, he has unremittingly guided my research work, taught me and strongly supported me for the past five years, leading to successful completion of this work.

I remain grateful to Dr. K. P. Vijayakumar, Associate Professor and Head, Department of Library and Information Science, University of Kerala, for permitting me to utilise the facilities of the Department for my research work. I am also thankful to Dr. A. Gopikuttan, Associate Professor, Department of Library and information Science, University of Kerala, who has given valuable guidance and encouragements during my research work. I am also thankful to Dr. B. Mini Devi, Assistant Professor and all the supporting staff members of the Department, for their immense help and kind cooperation.

My teachers in library science like Dr. G. Devarajan, Smt. Lalitha Lenin, Sri. M. Varghese, Prof. C. A. Augustine and Prof. M.N. Ramakrishnan were the leading lights and inspiring forces throughout the course of my research work and I am always obliged to their kindness and affection.

I am very thankful to the staff members of different Government and non-Government agencies who are working in tourism and related areas, especially the Department of Tourism, the Directorate of Economics and Statistics, District tourism Promotion Councils of Thiruvananthapuram, Alappuzha, Idukki, Ernakulam, Wayanad and Tourist facilitation Centres at Kovalam, Thekkady, Kumarkom etc. for their timely and valuable support to my research work.

My sincere gratitude to a number of tourists who have responded to my questionnaire, without whose whole hearted support my study would not have been
possible. With gratitude and appreciation I remember the assistance given by the managers and staff of many resorts, hotels and home stays across the state, for helping me to elicit the required data for my study. Mr. Ajith Kumar, xerox operator of Kerala University Library and Mr. S. Babu, life guard supervisor of Kovalam beach, deserve special mention for coordinating the data collection works of my study.

I remain grateful to Smt. L. Saraswthy, Deputy Librarian-in-charge, Kerala University Library, who has extended her consistent encouragement, advices and criticisms. I am thankful to all my colleagues in the Kerala University Library, for their total support, cooperation and encouragement in my profession as well as in my academic pursuits.

I would like to express my sincere gratitude to Mr. Dinesh Lal, for efficiently conducting the data analysis works of my research and to M/s. Integrated Data Processors, for their dedicated and proficient work in transforming my manuscript into a beautifully bound thesis in a short time.

I owe thanks to my parents, wife, children and other family members who have extended their total assistance, cooperation, patience and support for this study. Special thanks to my brother Dr. Saleem H. for his immense help in proof reading and editing, which has profoundly improved the composition of this thesis. I remain grateful and extend heartfelt thanks to one and all who have associated with me directly or indirectly for the completion of this study.

Above all, I am thankful to the Almighty for blessing me for carrying out the research work and completing it successfully.
