ACKNOWLEDGMENT

Research is the process of arriving at dependable solutions to problems through the planned and systematic collection, analysis and interpretation of data. The objectivity in this process requires the proper and perfect guidance. In this regard, I acknowledge my immense pleasure to squeeze out my profound sense of gratitude and indebtedness to my highly respected and esteemed supervisor Prof. N.B. Shukla, Dept. of Physical Education Faculty of Art, Banaras Hindu University Varanasi, for his inspiring guidance, constant encouragement and generous support throughout the course of the present investigation. I am grateful to him for many valuable suggestions and exceeding helpful discussions in the preparation of this thesis, despite his professional, academic and personal responsibilities.

I am grateful to the Chancellor, Shri Vinod Tibrewala of JJT University Rajasthan, Vice chancellor Dr. S. K. Govil and also for Registrar Shri BalKrishna Tibrewala for various suggestions & fruitful discussions.
