Acknowledgement

I would like to express my heartfelt gratitude to my guide Dr. V. Balu, M.A., M.Com., M.Phil., MBA, PGDHRM, Ph.D. for having given me the initial impetus to work enthusiastically. It is difficult to put in words his ingenuity, understanding and contribution. Under his able guidance, I was able to complete the work without much difficulty.

I thank the SCSVMV (Deemed University) and the authorities for giving me an opportunity to do research in Commerce.

My sincere thanks are due to Dr. Ravanam, Reader, Dept. of Statistics, Presidency College for his valuable suggestions.

I am grateful to the IFMR Library, Chennai, SISI Directorate of Technical Library, Chennai, National Institute of Small Industries Extension & Training (NISIET), Yousuf Guda, Hyderabad for permitting me to use their facilities.

The accomplishment of this task would have been impossible without the kind co-operation of the respondents who generously spared their precious time to provide the necessary information. I am deeply indebted to them.

Finally, I wish to thank Mrs. Shanthi, P.A. to Dr. V. Balu and Mr. V.P. Murugan, Indhu Lassers, Chennai-28 for his neat execution in bringing out this dissertation.
