Acknowledgements

Firstly, the author would like to thank the Lord Almighty, for all the blessings he has showered on him right throughout his life and also enabling him to reach the milestone of writing this last note in his research work.

The author wishes to express his heart-felt gratitude to Dr. Sanjeev Kumar, Professor Department of Civil Engineering, Graphic Era University, Dehradun (India) for his valuable guidance and inspiring encouragement in pursuance of this work. He remains indebted to him for giving his precious time freely at all stages of this investigation.

The author would like to put on record his sincere thanks to Dr. Z. Ahmad, Professor Department of Civil Engineering, Indian Institute of Technology, Roorkee (India), Dr. P. K. Emani, Professor, Department of Civil Engineering, Graphic Era University, Dehradun (India), Dr. Pradeep K. Sharma Associate Professor, Department of Environmental Science, Graphic Era University, Dehradun (India), and all faculty members of Department of Civil Engineering, Graphic Era University, Dehradun (India), for their timely advice and kind help.

The author wishes to thank all the members of the research committee at Graphic Era University for critically reviewing his work on a regular basis and providing him with very valuable suggestions. He wishes to thank Dr. R. C. Joshi, Dr. V.K.Tiwari, Dr. A.K.Awasthi, Dr. D.P.Giridhar, Dr. Ankush Mittal, Mr. S. C. Sharma, Dr. R. Gauri, Dr. B.S.Jassal, and Dr. Praveen Patil for their encouragement and guidance.

The author is very much thankful to the Dr. Kamal Ghanshala, President, Graphic Era University, Dehradun (India), for providing him an opportunity to pursue his research work and also for his encouragement.

The author is very much thankful to Shri Aditya Kumar Saini, Shri Sanjay Nautiyal, Shri Kulwant Singh, Shri Mahesh Painuly, Shri Saurabh Karanatak, Shri Vipin Kumar and other supporting staff of the Hydraulic laboratory of Graphic Era University, Dehradun (India), for the facilities extended to him in the laboratory.

The author has a lifelong regards towards his parents, Late Shri M. P. Gupta and Smt. Savitri Devi, brothers, Shri Santosh Kumar and Shri Badri Prasad, sister, Smt. Vandana. It was the power of their blessings, which gave him courage and confidence to materialize this dream.
Last but not the least the author wishes to record his gratitude and warm sentiments towards his wife Rashmi and sons Abhishek and Arpit for their understanding, moral support and also patiently bearing his inattentiveness towards them during his research work.

He once again expresses his thanks to all those who have directly or indirectly provided encouragement and support to his research work.
