ACKNOWLEDGEMENTS

In pursuing my research work and organising this thesis, I have received help and support from all corners. I convey my sincere thanks to all of them, it may not be possible to personalise each and every one. However, I express my sincere gratitude to all of them.

I feel very much fortunate to work under the supervision of Late Prof. B.K. Raghunath, Head of Mechanical Engineering department, A.D. Patel Institute of Technology, New Vallabh Vidyanagar and Prof. (Dr.) H. J. Jani, Director, M.B.A. Programme, G.H. Patel Postgraduate Institute of Business Management, Sardar Patel University, Vallabh Vidyanagar. I take this opportunity to express my sincere gratitude for their valuable guidance, encouragement and motivation throughout the research.

I convey my special thanks to Dr. Kerav J. Pandya, Assistant Professor, Anand Institute of Management, Anand for his timely help and guidance for analysing survey results to put into final conclusion to complete my research study.

I am most grateful to Dr. C. L. Patel, Chairman, Charutar Vidya Mandal, for his encouragement and permission to carry out this research work.

I owe to Late Dr. B.P. Swadas, the then Principal of B.V.M. Engineering College, Vallabh Vidyanagar for his inspiration and encouragement to do research work.

I am thankful to Dr. R.P. Arora, Professor of Mechanical Engineering, GCET, Vallabh Vidyanagar for his guidance and help to start my research study.

I am thankful to Dr. F.S. Umrigar, Principal B.V.M. Engineering College Vallabh Vidyanagar for the permission to visit industrial estates during my research study.

I am thankful to my colleagues Prof. (Dr.) P M. George, Prof. H.V. Ghotikar of Mechanical Engineering Department, B.V.M. Engineering College, V.V. Nagar for their co-operation, suggestions and help in searching sources.
I express my sincere thanks to Dr. (Mrs.) T.A. Desai, Head, Mathematics Department, Prof.Aakar Roghalia, Prof.Milan Kansagara, of mathematics department for providing facilities for statistical analysis and helping solve all queries.

I am indebted to Dr. Jitesh J. Thakkar, Assistant Professor, Mechanical Engineering Department, A.D.I.T., New Vallabh Vidyanagar for his help in reviewing of research questionnaires, suggestions and helping sourcing useful materials.

My special thanks to Shri P.I. Patel, Foreman, Shri M.V. Shah, Storekeeper, and Shri Ramesh M. Chavda, Store assistance of B.V.M College workshop for their untiring and useful help during my research work.

I express my thanks to Shri Bhadresh C. Patel, Shri Ravi D. Patel of Computer Department and Mr. Kishore B. Bhangale, Administrative Department of B.V.M. Engineering College for their timely help during my research work

I express my sincere thanks to Mr. R. N. Rawal, G.M. and Assistant Industry Commissioner, District Industries Centre, Anand for permitting to use all the records related literatures of industrial scenario of Anand district.

I express my sincere thanks to Mr. C.M. Padalia, Resident District Collector, Anand and his staff for providing related literatures of industrial scenario and records of Gujarat state.

I am grateful to Shri Mr. V.K. Ghoda, Mr. D.G. Shah, Executives of Amul Dairy, Anand for their help to furnish details and permit visit of AMUL plants, for the study of their performance enhancement programme.

I also express my sincere thanks to Shri Bipinbhai Panchal, CEO, Rupal Books Stall, Vallabh Vidyanagar for timely procuring source materials, books, and references at the ease and speed for my literature survey for research work.

I also express my sincere thanks to the Secretariat of V. U. Industries Association, for their all time help for information and permission to use all available data, references.
Hereby, the researcher is also thankful to numerous corporate executives who gave permission to study their organisations and helped in getting permissions from various industries of the estate. The researcher also acknowledges the valuable help and suggestions from individuals, industrialists, executives, managers, engineers, workmen during various stages of this research work and to all the organisations who had responded positively to my questionnaires.

Most important of all, I am indebted to my parents and I record my deep sense of gratitude for always being the source of inspiration to me. I owe a lot them without whose blessings; this work would not have been possible.

No words can explain my thankfulness to my wife Pravina who relentlessly facilitated my work at home. I also note the worth help received from my daughter Meghna, M.C.A., Computer Programmer of A.D.Patel Institute, New Vallabh Vidyanagar, My son Rishit for help, support and patience throughout my research work.

Last but not least to Grandchild, Ma. Rohan, who, has always given internal happiness and affection during this work and affectionately attached with the progress of this work.

Finally I thank ‘GOD-The Almighty’ for his kindness towards me for successful completion of work.

T. B. Pankhania
