“Dreams are a reflection of the individual”, says Tagore. It was my noble dream to do Ph.D. It took almost two decades for this to actually happen. In achieving this dream, I have been helped by many. First of all I praise and thank God for His grace that helped me in times of difficulties, frustrations, failures, economical crisis, family burdens and led me to the final stage of writing this dissertation successfully.

My heartfelt of eternal gratitude goes to my ideal and inspirational guide Dr. S. M. Raffi, Assistant Professor, Centre of Advanced Study in Marine Biology, Faculty of Marine Sciences, Annamalai University, for suggesting the work, for all the valuable guidance, laudable counseling, constant encouragement, kindness and keen interest throughout the study and investigation.

“Gratitude is the memory of heart”. I am profoundly grateful to my Co-Guide Prof. A. Palavesam, Centre for Marine Science and Technology, Manonmaniam Sundaranar University, Rajakamangalam, Kanyakumari District for his timely help during the period of my study.

In this endeavor, I owe much to Prof. K. Kathiresan, Dean & Director, Centre of Advanced Study in Marine Biology, Faculty of Marine Sciences, Annamalai University, for providing me with necessary facilities and moral support throughout my study period. I really can’t thank you in words.

It is my privilege to record my sincere and earnest appreciation to my contemporaries Dr. M. Pravinkumar and Mr. C. Viswanathan for their grandiose guidance, patience and understanding they showed while correcting and improving the thesis to the perfect shape. Also I am very glad to extend my sincere thanks to all my unit colleagues Dr. T.V. Suresh, Mr. V. Elumalai, Mr. K. Jaganathan and Mr. G. Ponnusamy.

My sincere thanks to Dr. Bindhu, Associate Professor, Mother Theresa University, Kodaikanal who introduced me to this Centre and for her valuable suggestion and constant encouragement.
I will fail in my duty if I do not thank my dear friends especially **Mr. Devadhas Prabu** and **Mr. K. Shunmugam**, for their advice, kind help and support during my study period.

I shall ever remain thankful to all my office colleagues, **Mrs. K. Manoranjitham**, **Mrs. S. Sankaravadivoo**, **Mrs. T. Ullagamma**, **Mrs. P. Surya Prema**, **Ms. S. Juliet**, **Ms. S. Tilagavathy** and **Ms. B. Madhubala** for their voluntary help and moral support during the difficult and emotional period of my research work.

My bountiful thanks to my gurus’s of Loyola College **Dr. V.A. Moorthy**, **Dr. D. Sudarsan**, **Dr. P. Venkatesan**, **Dr. M. Selvanaygam**, **Dr. T. Ambrose** and **Dr. T. Fleming**, Dept. of Advanced Zoology and Biotechnology, Loyola College, Chennai, for moulding me to achieve this feat.

I am most thankful to all **Teaching, Non-teaching, Library** and **ENVIS** staff members of our Centre who have extended their helping hand in one way or other for the completion of this study.

It is also my pride and pleasure to express my sincere thanks to **Mr. Jude Jessovin**, **Mr. Julius Johnson**, **Mrs. Anushma**, **Mrs. Reneve** for their significant support, worthy suggestions and upright criticisms during my work progress.

Words are insufficient to express my grateful thanks to my Parents and Uncle **Mr. P. Paulraj** for the special care given towards me and my family during the odd and even period of my investigation.

On a personal note I record my sincere gratitude to my wife **Mrs. P. Jeneve** and my dear daughter **X.J. Christilda** who patiently bore with me all the inconveniences caused.

I also express my sincere apologies to all those whom I may have unintentionally missed to mention here and whom deserve my special thanks.
