Acknowledgement

The present study was carried out at the Department of Pharmaceutical Chemistry, J.S.S. College of Pharmacy, Ootacamund, under J.S.S. University, Mysore, India during the years 2009-2012.

It is my proud privilege to work under the esteemed and venerable guide, Dr. M.J.N. Chandrasekar, whose expert supervision and sympathetic nature imbued the strength in me to work hard throughout this endeavour. Indeed, the words at my command are inadequate to express my gratifications to my esteemed guide who helped me in surging this path of research. I am extremely thankful to Dr. M.J. Nanjan, Director, Research and Post Graduate studies, J.S.S. College of Pharmacy, Ootacamund, for his valuable suggestions and utmost help always.

I owe my special gratitude to Dr. B. Suresh, Vice Chancellor, J.S.S. University and Dr. K. Elango, Principal, J.S.S. College of Pharmacy, Ootacamund, for placing the research facilities of the department of Pharmaceutical Chemistry at my disposal during this work.

I am especially grateful to Dr. Himadri Sen (Scientific Advisor) and Dr. P. K. Sinha (DGM-Analytical), Unimark Remedies Ltd., Ahmedabad, Dr. Balamurali Raman (Principal Scientist), GVK Biosciences, Hyderabad, Dr. Shailendra K. Saxena (Senior Scientist & Leader), Centre for Cellular and Molecular Biology, Hyderabad, Dr. B. Duraiswamy (HOD, Dept. of Pharmacognosy), and Dr. P. Vijayan (Professor, Dept. of Pharmaceutical Biotechnology), J.S.S. College of Pharmacy, Ooty, for their support throughout my research and providing me their analytical (1HNMR, Mass, I.R) and molecular biology facilities.

It is my pleasure to express my sincere thanks to my childhood and closest friend, Mr. Manish Singh and my best friend Ms. Bhagyashree Kamble, Research Scholar, Dept. of Pharmacognosy, J.S.S College of Pharmacy, Ooty for their moral, financial, and intellectual support throughout my research. I take this opportunity to also thank my friends Dr. Dada Patil, Post Doctoral Research Associate, Symbiosys Institute of Biomedical Sciences, Pune, Dr. Ebenezer Martin, Senior Research Scientist, Jubilant Chemsys Ltd., Noida, Mr. C. Ramakrishnan, Research Scholar, Bioinformatics infrastructure facility, Centre of Advanced studies in crystallography & Biophysics, University of Madras, Guindy Campus, Chennai, Mr. Kapil Juvale, DAAD Fellow, Dept. of Pharm. Chemistry, University of Bonn,
Germany, Ms. Deepa Pathak, Mr. Ashish Wadhwani, and Mr. Pankaj Masih, for their valuable suggestions and support during the course of my research.

I would also like to thank the laboratory technicians and assistants, Mr. Mahadevswami, Mr. D. Lingraj, Mr. A. Venkatesh, Mr. Ramachandra, Mr. H.M. Manjunath, Mr. Shivkumar, Mr. Mahadevswami, Mr. Devishankar and Mr. Gopal (TIIFAC CORE) for their support and help throughout the project.

Mere words can never encompass my profound inward emotions of ineffable, indebtness and gratitude towards my loving parents, Mr. Shiv K. Gupta and Mrs. Kusum Gupta, my Guru, Mr. Vinay K. Agarwal, my wife, Mrs. Rashmi Gupta and other family members who invested their present for my future. Their unbound affection, constant inspiration, unflickering support and blessings helped me to take the audacious tasks as a challenge.

I am extremely thankful to All India Council for Technical Education (AICTE), New Delhi, India for the award of National Doctoral Fellowship (NDF) for the period of my research work.

At last but not the least, I am thankful to GOD with whose mercy I reached my endeavour so far & could acknowledge all those who knowingly and unknowingly contributed in making my task a de facto success.
